#### SUPPLEMENTARY INFORMATION:

##### Background

On August 18, 2021, Commerce published in the **Federal Register** the *Preliminary Rescission* of this NSR.<sup>1</sup> On September 17, 2021, Hualing filed its case brief and also requested a public hearing.<sup>2</sup> On September 24, 2021, the American Kitchen Cabinet Alliance (the petitioner) submitted its rebuttal brief.<sup>3</sup> On October 22, 2021, we held a public hearing, pursuant to 19 CFR 351.310(c).

<sup>1</sup> See *Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Preliminary Rescission of Antidumping Duty New Shipper Review; 2020*, 86 FR 46178 (August 18, 2021) (*Preliminary Rescission*).

<sup>2</sup> See Hualing's Letters, "Hualing Administrative Case Brief on Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China," dated September 17, 2021; and "Hualing Hearing request on Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China," dated September 17, 2021.

<sup>3</sup> See Petitioner's Letter, "Wooden Cabinets and Vanities and Components Thereof from the People's Republic of China: Rebuttal Brief," dated September 24, 2021.

#### Scope of the Order<sup>4</sup>

The products covered by the *Order* are wooden cabinets and vanities that are for permanent installation (including floor mounted, wall mounted, ceiling hung or by attachment of plumbing), and wooden components thereof. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.<sup>5</sup>

#### Analysis of Comments Received

All issues raised in this NSR are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice.<sup>6</sup> The Issues and Decision Memorandum is a public document and is on file via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. A list of topics discussed in the Issues and Decision Memorandum is included as an appendix to this notice. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Rescission of the Antidumping Duty New Shipper Review

Based on information on the record, we determine that Hualing does not meet the minimum requirements under 19 CFR 351.214(b)(2)(i) for a NSR. Therefore, we determine that it is appropriate to rescind the NSR with respect to Hualing.

#### Assessment Rate

Commerce does not intend to instruct U.S. Customs and Border Protection (CBP) to liquidate the relevant entry because the entry is subject to the administrative review covering the period April 1, 2020, through March 31, 2021, initiated on June 11, 2021.<sup>7</sup>

#### Cash Deposit Instructions

Because we are rescinding this NSR, we are not determining a company specific cash deposit rate for Hualing in this review. Hualing continues to be

**Changes Since the Preliminary Results**

After evaluating the comments received from interested parties and record information, we have made no changes to the net subsidy rates assigned to the mandatory respondents. For a discussion of these comments, see the Issues and Decision Memorandum.

**Methodology**

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For purposes of these final results, Commerce is relying solely on facts otherwise available, including adverse facts available (AFA), pursuant to sections 776(a) and (b) of the Act because the selected mandatory respondents did not participate in this administrative review. For a full discussion of our application of AFA, see the *Preliminary Results* and the section "Use of Facts Otherwise Available and Adverse Inferences" in the accompanying Preliminary Decision Memorandum.<sup>5</sup>

**Rescission of Administrative Review, in Part**

It is Commerce's practice to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>6</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.<sup>7</sup> Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated countervailing duty assessment rate calculated for the review period.<sup>8</sup> We continue to find that Hangzhou Antego Industry Co. Ltd. did not have reviewable entries of subject merchandise for which liquidation is

suspended. Because there is no evidence on the record of this segment of the proceeding to indicate that this company had entries, exports, or sales of subject merchandise to the United States during the POR, we are rescinding this review with respect to this company, consistent with 19 CFR 351.213(d)(3).

**Final Results of Administrative Review**

We determine that, for the period February 25, 2019, through December 31, 2019, the following net countervailable subsidy rates exist:

| Company  | Net subsidy rate <i>ad valorem</i> (percent) |
|--|--|
| Zhejiang Jingu Company Limited and Shanghai Yata Industry Company Limited <sup>9</sup> ..... | 388.31                                       |
| Xiamen Topu Imports & Export Co., Ltd .....  | 388.31                                       |

<sup>9</sup> In the investigation, we found that Zhejiang Jingu was cross-owned with An Gang Jingu (Hangzhou) Metal Materials Co., Ltd.; Hangzhou Jingu New Energy Development Co. Ltd.; Shangdong Jingu Auto Parts Co., Ltd.; Zhejiang Jingu Automobile Components; Zhejiang Wheel World Co., Ltd.; and Shanghai Yata Industry Company Limited. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination, therefore, we continue to find these companies cross-owned. See *Certain Steel Wheels 12 to 16.5 Inches in Diameter from the People's Republic of China: Final Affirmative Countervailing Duty Determination, and Final Affirmative Determination of Critical Circumstances*, 84 FR 32723 (July 9, 2019).

**Disclosure**

Normally, Commerce discloses to interested parties the calculations performed in connection with the final results of a review within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce applied AFA to the three mandatory respondents, in accordance with section 776 of the Act, there are no calculations to disclose.

**Assessment Rate**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise covered by this review.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a

timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Rates

In accordance with section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies listed above. For all nonreviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposits, when imposed, shall remain in effect until further notice.

#### Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

#### Notification to Interested Parties

Commerce is issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) and 19 CFR 351.221(b)(5).

Dated: November 5, 2021.

#### Certain Aluminum Foil From the Republic of Armenia, Brazil, the Sultanate of Oman, the Russian Federation, and the Republic of Turkey: Antidumping Duty Orders

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** Based on affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing antidumping duty orders on certain aluminum foil (aluminum foil) from the Republic of Armenia (Armenia), Brazil, the Sultanate of Oman (Oman), the Russian Federation (Russia), and the Republic of Turkey (Turkey).

**DATES:** Applicable November 12, 2021.

**FOR FURTHER INFORMATION CONTACT:** Margaret Collins at (202) 482-6250 (Armenia); George McMahon at (202) 482-1167 (Brazil); Benjamin A. Smith at (202) 482-2181 (Oman); Mike Heaney at (202) 482-4475 (Russia); Bryan Hansen at (202) 482-3683 (Turkey) AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

In accordance with sections 735(d) and 777(i) of the Tariff Act of 1930, as amended (the Act), on September 23, 2021, Commerce published in the **Federal Register** its affirmative final determinations in the less-than-fair-value (LTFV) investigations of aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey.<sup>1</sup> On November 5, 2021, the ITC notified Commerce of its affirmative final

determinations, pursuant to section 735(d) of the Act, that an industry in the United States is materially injured, within the meaning of section 735(b)(1)(A)(i) of the Act, by reason of the LTFV imports of aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey.<sup>2</sup>

#### Scope of the Orders

The product covered by these orders is aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey. For a complete description of the scope of these orders, *see* the appendix to this notice.

#### Antidumping Duty Orders

On November 5, 2021, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of imports of aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey.<sup>3</sup> Therefore, in accordance with section 735(c)(2) of the Act, Commerce is issuing these antidumping duty orders. Because the ITC determined that imports of aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey are materially injuring a U.S. industry, unliquidated entries of subject merchandise from Armenia, Brazil, Oman, Russia, and Turkey, entered into the United States or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties.

Therefore, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instructions by Commerce, antidumping duties equal to the amount by which the normal value of the foreign like product exceeds the export price (or constructed export price) of subject merchandise, for all relevant entries of aluminum foil from Armenia, Brazil, Oman, Russia, and Turkey. With the exception of entries occurring after the expiration of the provisional measures period and before publication of the ITC's final affirmative injury determinations in the **Federal Register**, as further described below, antidumping duties will be assessed on unliquidated entries of aluminum foil from Armenia, Brazil, Oman, and Russia, entered or withdrawn from warehouse for consumption, on or after May 4, 2021, the date of publication of the
