#### SUPPLEMENTARY INFORMATION:

### I. Obtaining Information and Submitting Comments

#### A. Obtaining Information

Please refer to Docket ID NRC-2020-0121 when contacting the NRC about the availability of information for this action. You may obtain publicly available information related to this action by any of the following methods:

- *Federal Rulemaking Website*: Go to <https://www.regulations.gov> and search for Docket ID NRC-2020-0121.

- *NRC's Agencywide Documents Access and Management System (ADAMS)*: You may obtain publicly available documents online in the ADAMS Public Documents collection at <https://www.nrc.gov/reading-rm/adams.html>. To begin the search, select "Begin Web-based ADAMS Search." For problems with ADAMS, please contact the NRC's Public Document Room (PDR) reference staff at 1-800-397-4209, 301-415-4737, or by email to [pdr.resource@nrc.gov](mailto:pdr.resource@nrc.gov). The supporting statement and burden spreadsheet are available in ADAMS under Accession Nos. ML20210M286 and ML20210M285.

- *Attention*: The PDR, where you may examine and order copies of public documents is currently closed. You may submit your request to the PDR via email at [PDR.Resource@nrc.gov](mailto:PDR.Resource@nrc.gov) or call 1-800-397-4209 between 8:00 a.m. and 4:00 p.m. (EST), Monday through Friday, except Federal holidays.

- *NRC's Clearance Officer*: A copy of the collection of information and related instructions may be obtained without charge by contacting NRC's Clearance Officer, David Cullison, Office of the Chief Information Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001; telephone: 301-415-2084; email: [Infocollects.Resource@nrc.gov](mailto:Infocollects.Resource@nrc.gov).

#### B. Submitting Comments

The NRC encourages electronic comment submission through the Federal Rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2020-0121 in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your

comment submission. The NRC will post all comment submissions at <https://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

### II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection*: Part 72 of title 10 of the *Code of Federal Regulations* (10 CFR), "Licensing Requirements for the Independent Storage of Spent Nuclear Fuel, High-Level Radioactive Waste, and Reactor-Related Greater than Class C Waste."

2. *OMB approval number*: 3150-0132.

3. *Type of submission*: Revision.

4. *The form number, if applicable*: Not applicable.

5. *How often the collection is required or requested*: Required reports are collected and evaluated on a continuing basis as events occur; submittal of reports varies from less than one per year under some rule sections to up to an average of about 80 per year under other rule sections. Applications for new licenses, certificates of compliance (CoCs), and amendments may be submitted at any time; applications for renewal of licenses are required every 40 years for an Independent Spent Fuel Storage Installation (ISFSI) or CoC effective May 21, 2011, and every 40 years for a Monitored Retrievable Storage (MRS) facility.

6. *Who will be required or asked to respond*: Certificate holders and applicants for a CoC for spent fuel storage casks; licensees and applicants for a license to possess power reactor spent fuel and other radioactive materials associated with spent fuel storage in an ISFSI; and the Department of Energy for licenses to receive, transfer, package and possess power reactor spent fuel, high-level waste, and

other radioactive materials associated with spent fuel and high-level waste storage in an MRS.

7. *The estimated number of annual responses*: 868 (628 reporting responses + 154 third-party disclosure responses + 86 recordkeepers).

8. *The estimated number of annual respondents*: 86.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request*: 80,221 hours (33,712 reporting + 43,657 recordkeeping + 2,852 third-party disclosure).

10. *Abstract*: 10 CFR part 72, establishes mandatory requirements, procedures, and criteria for the issuance of licenses to receive, transfer, and possess power reactor spent fuel and other radioactive materials associated with spent fuel storage in an ISFSI, as well as requirements for the issuance of licenses to the Department of Energy to receive, transfer, package, and possess power reactor spent fuel and high-level radioactive waste, and other associated radioactive materials in an MRS. The information in the applications, reports, and records is used by NRC to make licensing and other regulatory determinations.

### III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?

2. Is the estimate of the burden of the information collection accurate?

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: November 4, 2020.

For the Nuclear Regulatory Commission.

### PEACE CORPS

#### Information Collection Request; Submission for OMB Review

**AGENCY:** Peace Corps.

**ACTION:** 30-Day notice and request for comments.

**SUMMARY:** The Peace Corps will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval. In accordance with the Paperwork Reduction Act of 1995 and implementing OMB guidance, we are requesting comments on this collection from all interested individuals and organizations. The purpose of this notice is to allow 30 days for public comment in the **Federal Register** preceding submission to OMB.

**DATES:** Submit comments on or before December 9, 2020.

**ADDRESSES:** Address written comments and recommendations for the proposed information collection to Virginia Burke, FOIA/Privacy Act Officer, by email at [pcfpr@peacecorps.gov](mailto:pcfpr@peacecorps.gov). Email comments must be made in text and not in attachments.

**FOR FURTHER INFORMATION CONTACT:** Virginia Burke, FOIA/Privacy Act Officer, at (202) 692-1887, or [PCFR@peacecorps.gov](mailto:PCFR@peacecorps.gov).

**SUPPLEMENTARY INFORMATION:**

*Title:* Individual Specific Medical Evaluation Forms (15).

*OMB Control Number:* 0420-0550.

*Type of Request:* Revision/New.

*Affected Public:* Individuals/Physicians.

*Respondents Obligation to Reply:* Voluntary.

*Respondents:* Potential and current volunteers.

*Burden to the Public:*

- Asthma Evaluation Form
  - (a) Estimated number of Applicants/physicians—700/700
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—75 minutes/30 minutes
  - (d) Estimated total reporting burden—875 hours/350 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* When an Applicant reports on the Health History Form any history of asthma, he or she will be provided an Asthma Evaluation Form for the treating physician to complete. The Asthma Evaluation Form asks for the physician to document the Applicant's condition of asthma, including any asthma symptoms, triggers, treatments, or limitations or restrictions due to the condition. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer and complete a tour of service without unreasonable disruption due to

health problems. This form will also be used to determine the type of accommodation that may be needed, such as placement of the Applicant within reasonable proximity to a hospital in case treatment is needed for a severe asthma attack.

- Diabetes Diagnosis Form
  - (a) Estimated number of Applicants/physicians—55/55
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—75 minutes/30 minutes
  - (d) Estimated total reporting burden—69 hours/28 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:*

When an Applicant reports the condition of diabetes Type 1 on the Health History Form, the Applicant will be provided a Diabetes Diagnosis Form for the treating physician to complete. In certain cases, the Applicant may also be asked to have the treating physician complete a Diabetes Diagnosis Form if the Applicant reports the condition of diabetes Type 2 on the Health History Form. The Diabetes Diagnosis Form asks the physician to document the diabetes diagnosis, etiology, possible complications, and treatment. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer assignment and complete a tour of service without unreasonable disruption due to health problems. This form will also be used to determine the type of accommodation that may be needed, such as placement of an Applicant who requires the use of insulin in order to ensure that adequate insulin storage facilities are available at the Applicant's site.

- Transfer of Care—Request for Information Form
  - (a) Estimated number of Applicants/physicians—1,270/1,270
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—75 minutes/30 minutes
  - (d) Estimated total reporting burden—1,588 hours/635 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:*

When an Applicant reports on the Health History Form a medical condition of significant severity (other than one covered by another form), he or she may be provided the Transfer of Care—Request for Information Form for the treating physician to complete. The Transfer of Care—Request for Information Form may also be provided

to an Applicant whose responses on the Health History Form indicate that the Applicant may have an unstable medical condition that requires ongoing treatment. The Transfer of Care—Request for Information Form asks the physician to document the diagnosis, current treatment, physical limitations and the likelihood of significant progression of the condition over the next three years. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer assignment and complete a tour of service without unreasonable disruption due to health problems. This form will also be used to determine the type of accommodation (e.g., avoidance of high altitudes or proximity to a hospital) that may be needed to manage the Applicant's medical condition.

- Mental Health Current Evaluation and Treatment Summary Form
  - (a) Estimated number of Applicants/professional—1,221/1,221
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—105 minutes/60 minutes
  - (d) Estimated total reporting burden—2,137 hours/1,221 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Mental Health Current Evaluation Form will be used when an Applicant reports on the Health History Form a history of certain serious mental health conditions, such as bipolar disorder, schizophrenia, mental health hospitalization, attempted suicide or cutting, or treatments or medications related to these conditions. In these cases, an Applicant will be provided a Mental Health Current Evaluation and Treatment Summary Form for a licensed mental health counselor, psychiatrist or psychologist to complete. The Mental Health Current Evaluation and Treatment Summary Form asks the counselor, psychiatrist or psychologist to document the dates and frequency of therapy sessions, clinical diagnoses, symptoms, course of treatment, psychotropic medications, mental health history, level of functioning, prognosis, risk of exacerbation or recurrence while overseas, recommendations for follow up and any concerns that would prevent the Applicant from completing 27 months of service without unreasonable disruption. A current mental health evaluation might be needed if information on the condition is outdated or previous reports on the

condition do not provide enough information to adequately assess the current status of the condition. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer and complete a tour of service without unreasonable disruption due to health problems. This form will also be used to determine the type of accommodation that may be needed, such as placement of the Applicant in a country with appropriate mental health support.

- **Functional Abilities Evaluation Form**
  - (a) Estimated number of Applicants/professional—300/300
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—90 minutes/45 minutes
  - (d) Estimated total reporting burden—390 hours/225 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:*

When an Applicant reports on the Health History Form a functional ability limitation he or she will be provided this form to determine the type of accommodation and/or placement program support (e.g., proximity to program site, support support devices) that may be needed to manage the Applicant's medical condition. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer assignment and complete a tour of service without unreasonable disruption due to health problems.

- **Eating Disorder Treatment Summary Form**
  - (a) Estimated number of Applicants/physicians—282/282
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—105 minutes/60 minutes
  - (d) Estimated total reporting burden—494 hours/282 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Eating Disorder Treatment Summary will be used when an Applicant reports a past or current eating disorder diagnosis in the Health History Form. In these cases the Applicant is provided an Eating Disorder Treatment Summary Form for a mental health specialist, preferably with eating disorder training, to complete. The Eating Disorder Treatment Summary Form asks the mental health specialist to document

the dates and frequency of therapy sessions, clinical diagnoses, presenting problems and precipitating factors, symptoms, Applicant's weight over the past three years, relevant family history, course of treatment, psychotropic medications, mental health history inclusive of eating disorder behaviors, level of functioning, prognosis, risk of recurrence in a stressful overseas environment, recommendations for follow up, and any concerns that would prevent the Applicant from completing 27 months of service without unreasonable disruption due to the diagnosis. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer assignment and complete a tour of service without unreasonable disruption due to health problems. This form will also be used to determine the type of accommodation that may be needed, such as placement of the Applicant in a country with appropriate mental health support.

- **Substance-Related and Addictive Disorders Current Evaluation Form**
  - (a) Estimated number of Applicants/specialist—373/373
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—165 minutes/60 minutes
  - (d) Estimated total reporting burden—1,026 hours/373 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Alcohol/Substance Abuse Current Evaluation Form is used when an Applicant reports in the Health History Form a history of substance abuse (i.e., alcohol or drug related problems such as blackouts, daily or heavy drinking patterns or the misuse of illegal or prescription drugs) and that this substance abuse affects the Applicant's daily living or that the Applicant has ongoing symptoms of substance abuse. In these cases, the Applicant is provided an Substance-Related and Addictive Disorders Current Evaluation Form for a substance abuse specialist to complete. The Substance-Related and Addictive Disorders Current Evaluation Form asks the substance abuse specialist to document the history of alcohol/substance abuse, dates and frequency of any therapy sessions, which alcohol/substance abuse assessment tools were administered, mental health diagnoses, psychotropic medications, self harm behavior, current clinical assessment of alcohol/substance use, clinical observations, risk of recurrence in a

stressful overseas environment, recommendations for follow up, and any concerns that would prevent the Applicant from completing a tour of service without unreasonable disruption due to the diagnosis. This form will be used as the basis for an individualized determination as to whether the Applicant will, with reasonable accommodation, be able to perform the essential functions of a Peace Corps Volunteer and complete a tour of service without unreasonable disruption due to health problems. This form will also be used to determine the type of accommodation that may be needed, such as placement of the Applicant in a country with appropriate sobriety support or counseling support.

- **Mammogram Waiver Form**
  - (a) Estimated number of Applicants—148
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—105 minutes
  - (d) Estimated total reporting burden—259 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Mammogram Form is used for all Applicants who have female breasts and will be 50 years of age or older during service who wish to waive routine mammogram screening during service. If an Applicant waives routine mammogram screening during service, the Applicant's physician is asked to complete this form in order to make a general assessment of the Applicant's statistical breast cancer risk and discussed the results with the Applicant including the potential adverse health consequence of foregoing screening mammography.

- **Cervical Cancer Screening Form**
  - (a) Estimated number of Applicants—3,600/3,600
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—40 minutes/30 minutes
  - (d) Estimated total reporting burden—2,400 hours/1,800 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Cervical Cancer Screening Form is used with all Applicants with a cervix. Prior to medical clearance, female Applicants are required to submit a current cervical cancer screening examination and Pap cytology report based the American Society for Colposcopy and Cervical Pathology (ASCCP) screening time-line for their age and Pap history. This form assists the Peace Corps in determining whether an Applicant with mildly abnormal Pap history will need to be

placed in a country with appropriate support.

- Colon Cancer Screening Form
  - (a) Estimated number of Applicants—575
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—60 minutes–165 minutes
  - (d) Estimated total reporting burden—575 hours–1,581 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Colon Cancer Screening Form is used with all Applicants who are 50 years of age or older to provide the Peace Corps with the results of the Applicant's latest colon cancer screening. Any testing deemed appropriate by the American Cancer Society is accepted. The Peace Corps uses the information in the Colon Cancer Screening Form to determine if the Applicant currently has colon cancer. Additional instructions are included pertaining to abnormal test results.

- ECG Form
  - (a) Estimated number of Applicants/physicians—575/575
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—25 minutes/15 minutes
  - (d) Estimated total reporting burden—240 hours/144 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The ECG/EKG Form is used with all Applicants who are 50 years of age or older to provide the Peace Corps with the results of an electrocardiogram. The Peace Corps uses the information in the electrocardiogram to assess whether the Applicant has any cardiac abnormalities that might affect the Applicant's service. Additional instructions are included pertaining to abnormal test results. The electrocardiogram is performed as part of the Applicant's physical examination.

- Reactive Tuberculin Test Evaluation Form
  - (a) Estimated number of Applicants/physicians—392/392
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—75–105 minutes/30 minutes
  - (d) Estimated total reporting burden—490–686 hours/196 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Reactive Tuberculin Test Evaluation Form is used when an Applicant reports a history of treatment for active

tuberculosis or a history of a positive tuberculosis (TB) test on their Health History Form or if a positive TB test result is noted as a component of the Applicant's physical examination findings. In these cases, the Applicant is provided a Reactive Tuberculin Test Evaluation Form for the treating physician to complete. The treating physician is asked to document the type and date of a current TB test, TB test history, diagnostic tests if indicated, treatment history, risk assessment for developing active TB, current TB symptoms, and recommendations for further evaluation and treatment. In the case of a positive result on the TB test, a chest X-ray may be required, along with treatment for latent TB.

- Insulin Dependent Supplemental Documentation Form
  - (a) Estimated number of Applicants/physicians—14/14
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—70 minutes/60 minutes
  - (d) Estimated total reporting burden—16 hours/14 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Insulin Dependent Supplemental Documentation Form is used with Applicants who have reported on the Health History Form that they have insulin dependent diabetes. In these cases, the Applicant is provided an Insulin Dependent Supplemental Documentation Form for the treating physician to complete. The Insulin Dependent Supplemental Documentation Form asks the treating physician to document that he or she has discussed with the Applicant medication (insulin) management, including whether an insulin pump is required, as well as the care and maintenance of all required diabetes related monitors and equipment. This form assists the Peace Corps in determining whether the Applicant will be in need of insulin storage while in service and, if so, will assist the Peace Corps in determining an appropriate placement for the Applicant.

- Prescription for Eyeglasses Form
  - (a) Estimated number of Applicants/physicians—3,293/3,293
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—60 minutes/15 minutes
  - (d) Estimated total reporting burden—3,293 hours/824 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Prescription for Eyeglasses is used with

Applicants who have reported on the Health History Form that they use corrective lenses or otherwise have uncorrected vision that is worse than 20/40. In these cases, Applicants are provided a Prescription for Eyeglasses Form for their prescriber to indicate eyeglasses frame measurements, lens instructions, type of lens, gross vision and any special instructions. This form is used in order to enable the Peace Corps to obtain replacement eyeglasses for a Volunteer during service.

- Required Peace Corps Immunizations Form
  - (a) Estimated number of Applicants/physicians—5,600
  - (b) Frequency of response—one time
  - (c) Estimated average burden per response—60 minutes
  - (d) Estimated total reporting burden—5,600 hours
  - (e) Estimated annual cost to respondents—Indeterminate

*General Description of Collection:* The Required Peace Corps Immunizations Form is used to inform Applicants of the specific vaccines and/or documented proof of immunity required for medical clearance for the specific country of service. The form advises the Applicant that all other Center for Disease Control (CDC) recommended vaccinations will be administered after arrival in-country. This form assists the Peace Corps with establishing a baseline of the Applicants immunization history and prepare for any additional vaccines recommended for country of service.

*Request for Comment:* Peace Corps invites comments on whether the proposed collections of information are necessary for proper performance of the functions of the Peace Corps, including whether the information will have practical use; the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the information to be collected; and, ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

This notice is issued in Washington, DC, on November 3, 2020.
