

and their specific role in establishing and managing the community forest; and

(5) A draft community forest plan. The eligible entity is encouraged to work with the State Forester or equivalent Tribal government official for technical assistance when developing or updating the Community Forest Plan. In addition, the eligible entity is encouraged to work with technical specialists, such as professional foresters, recreation specialists, wildlife biologists, or outdoor education specialists, when developing the Community Forest Plan.

f. Information regarding the proposed land acquisition, including:

(1) A proposed project budget not exceeding \$600,000 and technical assistance needs as coordinated with the State Forester or equivalent Tribal government official (section § 230.6 of the final program rule);

(2) The status of due diligence, including signed option or purchase and sale agreement, title search, minerals determination, and appraisal;

(3) Description and status of cost share (secure, pending, commitment letter, etc.) (section § 230.6 of the final rule);

(4) The status of negotiations with participating landowner(s) including purchase options, contracts, and other terms and conditions of sale;

(5) The proposed timeline for completing the acquisition and establishing the community forest; and;

(6) Long term management costs and funding source(s).

g. Applications must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards also referred to as the Omni Circular (2 CFR part 200).

h. Applications must also include the forms required to process a Federal grant. Section 6 *Grant Requirements* references the grant forms that must be included in the application and the specific administrative requirements that apply to the type of Federal grant used for this program. Grant forms are all available on the *Grants.gov* website at: <https://www.grants.gov/web/grants/forms.html>.

In order to assist applicants, a Community Forest Road Map can be found on the CFP website at <https://www.fs.usda.gov/managing-land/private-land/community-forest/program>. A sample application is located at [https://www.fs.fed.us/spf/coop/library/sample\\_cfp\\_template.pdf](https://www.fs.fed.us/spf/coop/library/sample_cfp_template.pdf) and the scoring guidance is at <https://www.fs.usda.gov/sites/default/files/>

#### 5. Forest Service's Project Selection Criteria

a. Using the criteria described below, to the extent practicable, the Forest Service will give priority to applications that maximize the delivery of community benefits, as defined in the final rule (see section § 230.2 of the final rule); and

b. The Forest Service will evaluate all applications received by the State Foresters or equivalent Tribal government officials and award grants based on the following criteria:

(1) Type and extent of community benefits provided, including to underserved communities. Community benefits are defined in the final program rule as:

(i) Economic benefits, such as timber and non-timber products resulting from sustainable forest management, recreation and tourism;

(ii) Environmental benefits, including clean air and water, stormwater management, and wildlife habitat;

(iii) Benefits from forest-based experiential learning, including K–12 conservation education programs; vocational education programs in disciplines such as forestry and environmental biology; and environmental education through individual study or voluntary participation in programs offered by organizations such as 4–H, Boy or Girl Scouts, Master Gardeners, etc.;

(iv) Benefits from serving as replicable models of effective forest stewardship for private landowners; and

(v) Recreational benefits such as hiking, hunting, and fishing secured through public access.

(2) Extent and nature of community engagement, including participation by marginalized communities, in the establishment and long-term management of the community forest;

(3) Amount of cost share leveraged;

(4) Extent to which the community forest contributes to a landscape conservation initiative, as well as any applicable environmental justice initiatives;

(5) Extent of due diligence completed on the project, including cost share committed and status of appraisal;

(6) Likelihood that, unprotected, the property would be converted to non-forest uses; and

(7) Costs to the Federal Government.

#### 6. Grant Requirements

a. Once an application is selected, funding will be obligated to the grant recipient through a grant adhering to the

Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards also referred to as the Omni Circular (2 CFR part 200).

b. Forest Service must approve any amendments to a proposal or request to reallocate funding within a grant proposal. If negotiations on a selected project fail, the applicant cannot substitute an alternative site.

c. The grant recipient must comply with the requirements in section § 230.8 in the final rule before funds will be released.

d. After the project has closed, as a requirement of the grant, grant recipients will be required to provide the Forest Service with a Geographic Information System (GIS) shapefile: A digital, vector-based storage format for storing geometric location and associated attribute information, of CFP project tracts and cost share tracts, if applicable.

e. Any funds not expended within the grant period must be de-obligated and revert to the Forest Service.

f. All media, press, signage, and other documents discussing the creation of the community forest must reference the partnership and financial assistance by the Forest Service through the CFP.

Additional information may be found in section § 230.9 of the final rule.
