SUPPLEMENTARY INFORMATION:

I. Introduction

On March 13, 2009, the Postal Service filed a formal request pursuant to 39 U.S.C. 3642 and 39 CFR 3020.30 *et seq.* to add Priority Mail Contract 5 to the Competitive Product List.¹ The Postal Service asserts that Priority Mail Contract 5 is a competitive product “not of general applicability” within the meaning of 39 U.S.C. 3632(b)(3). *Id.* at 1. The Request has been assigned Docket No. MC2009-21.

¹ Request of the United States Postal Service to Add Priority Mail Contract 5 to Competitive Product List and Notice of Establishment of Rates and Class Not of General Applicability, March 13, 2009 (Request).

The Postal Service contemporaneously filed a contract related to the proposed new product pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5. The contract has been assigned Docket No. CP2009-26.

Request. The Request incorporates (1) a redacted version of the Governors' Decision authorizing the new product; (2) a redacted version of the contract; (3) requested changes in the Mail Classification Schedule product list; (4) a statement of supporting justification as required by 39 CFR 3020.32; and (5) certification of compliance with 39 U.S.C. 3633(a).² Substantively, the Request seeks to add Priority Mail Contract 5 to the Competitive Product List. *Id.* at 1-2.

In the statement of supporting justification, Mary Prince Anderson, Acting Manager, Sales and Communications, Expedited Shipping, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.*, Attachment D. Thus, Ms. Anderson contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. *Id.*

Related Contract. A redacted version of the specific Priority Mail Contract 5 is included with the Request. The contract is for 1 year and is to be

² Attachment A to the Request consists of the redacted Decision of the Governors of the United States Postal Service on Establishment of Rate and Class Not of General Applicability for Priority Mail Service (Governors' Decision No. 09-4). The Governors' Decision includes an attachment which provides an analysis of the proposed Priority Mail Contract 5. Attachment B is the redacted version of the contract. Attachment C shows the requested changes to the Mail Classification Schedule product list. Attachment D provides a statement of supporting justification for this Request. Attachment E provides the certification of compliance with 39 U.S.C. 3633(a).

effective 1 day after the Commission provides all necessary regulatory approvals. The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a) and 39 CFR 3015.7(c). *See id.*, Attachment A and Attachment E. It notes that actual performance under this contract could vary from estimates, but concludes that the risks are manageable. *Id.* at Attachment A.

The Postal Service filed much of the supporting materials, including the Governors' Decision and the specific Priority Mail Contract 5, under seal. In its Request, the Postal Service maintains that the contract and related financial information, including the customer's name and the accompanying analyses that provide prices, terms, conditions, and financial projections should remain under seal. *Id.* at 2-3.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request; Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 23c-1; SEC File No. 270-253; OMB Control No. 3235-0260.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 23c-1 (17 CFR 270.23c-1) under the Investment Company Act of 1940 (15 U.S.C. 80a), among other things, permits a closed-end fund to repurchase its securities for cash if in addition to the other requirements set forth in the rule: (i) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase; (ii) the asset coverage per unit of the security to be purchased is disclosed to the seller or his agent; and (iii) if the security is a stock, the fund has, within the preceding six months, informed stockholders of its intention to purchase stock. Commission staff estimates that approximately 36 closed-end funds rely on Rule 23c-1 annually to undertake 324 repurchases of their securities. Commission staff estimates that, on average, a fund spends 2.5 hours to comply with the paperwork

requirements listed above each time it undertakes a security repurchase under the rule. Commission staff thus estimates the total annual burden of the rule's paperwork requirements is 810 hours.

In addition, the fund must file with the Commission a copy of any written solicitation to purchase securities given by or on behalf of the fund to 10 or more persons. The copy must be filed as an exhibit to Form N-CSR (17 CFR 249.331 and 274.128). The burden associated with filing Form N-CSR is addressed in the submission related to that form.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: March 18, 2009.

Florence E. Harmon,
Deputy Secretary.
