

added by Section 211(a) of the CBTPA; Section 6 of Executive Order No. 13191 of January 17, 2001.

The CBTPA provides for quota- and duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns and fabrics formed in the United States or a beneficiary country. The CBTPA also provides for quota- and duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more CBTPA beneficiary countries from fabric or yarn that is not formed in the United States or a beneficiary country, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. In Executive Order No. 13191, the President delegated to CITA the authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA and directed CITA to establish procedures to ensure appropriate public participation in any such determination. On March 6, 2001, CITA published procedures that it will follow in considering requests. (66 FR 13502).

On October 12, 2004, the Chairman of CITA received a petition from Sandler, Travis & Rosenberg, P.A., on behalf of Bernette Textile Co, LLC of New York, NY, alleging that certain colored open end spun yarns ranging in size from 6/1 to 18/1 English count (10.16/1 to 30.47/1 metric) of a blend of reclaimed and reprocessed cotton and acrylic staple fiber, for use in chief weight cotton sweaters, cannot be supplied by the domestic industry in commercial quantities in a timely manner requesting quota- and duty-free treatment under the CBTPA for apparel articles that are cut and sewn in one or more CBTPA beneficiary countries from such yarns.

Yarn Specifications:

HTS Subheadings:	5206.11.00.00, 5206.12.00.00
Description:	Open end spun yarn of uncombed fibers
Size:	10 to 31 metric count
Fiber Content:	In chief weight of cotton re-claimed from fabric scraps blended with producer dyed acrylic stable produced under license from Oulast Technologies, Inc.

CITA is soliciting public comments regarding this request, particularly with respect to whether this yarn can be supplied by the domestic industry in commercial quantities in a timely manner. Also relevant is whether other yarns that are supplied by the domestic industry in commercial quantities in a

timely manner are substitutable for these yarns for purposes of the intended use. Comments must be received no later than November 4, 2004. Interested persons are invited to submit six copies of such comments or information to the Chairman, Committee for the Implementation of Textile Agreements, room 3100, U.S. Department of Commerce, 14th and Constitution Avenue, N.W., Washington, DC 20230.

If a comment alleges that this yarn can be supplied by the domestic industry in commercial quantities in a timely manner, CITA will closely review any supporting documentation, such as a signed statement by a manufacturer of the yarns stating that it produces the yarns that are the subject of the request, including the quantities that can be supplied and the time necessary to fill an order, as well as any relevant information regarding past production.

CITA will protect any business confidential information that is marked "business confidential" from disclosure to the full extent permitted by law. CITA will make available to the public non-confidential versions of the request and non-confidential versions of any public comments received with respect to a request in room 3100 in the Herbert Hoover Building, 14th and Constitution Avenue, N.W., Washington, DC 20230. Persons submitting comments on a request are encouraged to include a non-confidential version and a non-confidential summary.

James C. Leonard III,
Chairman, Committee for the Implementation of Textile Agreements.
