Foreign-Trade Zone (FTZ) 39—Dallas-Fort Worth, Texas; Notification of Proposed Production Activity; Lasko Products, Inc. (Household Electric Fans); Fort Worth, Texas

Lasko Products, Inc. (Lasko), an operator of FTZ 39, submitted a notification of proposed production activity for its facilities located in Fort Worth, Texas. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 21, 2013.

The Lasko facilities are located at 1700 Meacham Boulevard, 4925–4933 Pylon Street, and 4600 Blue Mound Road, Fort Worth (Tarrant County), Texas. A separate application for “usage-driven” site designation at the Lasko facilities is planned and will be processed under Section 400.24 of the FTZ Board’s regulations. The facilities are used for the production of household electric fans. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: plastic labels; parts of fans (housings, grills, pedestal assemblies, blades); electric motors; electronic transmitters; electrical cords and switches; fasteners; metal name plates; paper manuals; and, paperboard cartons (duty rate ranges from free to 6.2%).
