

established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 14.44 percent (for certain cold-rolled carbon steel flat products) or 17.70 percent (for certain corrosion-resistant carbon steel flat products). These rates are the "all others" rates from the LTFV investigations. *See Antidumping Duty Orders on Certain Cold-Rolled Carbon Steel Flat Products and Certain Corrosion-Resistant Carbon Steel Flat Products from Korea*, 58 FR 44159 (August 19, 1993).

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act. Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of Assistant Secretary of Import Administration.

Dated: March 6, 2001.

#### **The Applicable Statute**

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act) are to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's regulations are to 19 CFR part 351 (2000).

#### **Background**

In a letter dated November 29, 2000, as amended on December 7, 2000, the Department of Commerce (the Department) received a request from Clipper Manufacturing Ltd. (Clipper) to conduct a new-shipper review of the antidumping duty order on fresh garlic from the People's Republic of China (PRC) pursuant to 19 CFR 351.214. On January 3, 2001 (66 FR 350), the Department initiated the new-shipper antidumping administrative review covering the period June 1, 2000, through November 30, 2000. The preliminary antidumping duty results in the new-shipper review were scheduled originally for June 24, 2001.

#### **Postponement of New-Shipper Review**

On February 9, 2001, the Department received a request from the petitioners, members of the Fresh Garlic Producers Association, to align the new-shipper review with the 1999/2000 administrative review of the antidumping duty order on fresh garlic from the PRC. In a letter dated February 15, 2001, Clipper Manufacturing Ltd., in accordance with 19 CFR 351.214(j)(3),

agreed to waive the applicable new-shipper time limits to its new-shipper review so that the Department could conduct the new-shipper review concurrently with the 1999/2000 administrative review of the order. Therefore, pursuant to the petitioners' request and the respondent's waiver, and in accordance with the regulations, we are conducting this review concurrently with the 1999/2000 administrative review of the order on fresh garlic from the PRC. As a result, the date of preliminary antidumping duty results in the new-shipper review will now be August 2, 2001, and the date of final antidumping duty results in the new-shipper review will be November 30, 2001.

This notice is published in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(j)(3).

Dated: March 6, 2001.

#### **Grain-Oriented Electrical Steel From Italy: Final Results of Antidumping Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of antidumping duty administrative review.

**SUMMARY:** On September 7, 2000, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on grain-oriented electrical steel from Italy. This review covers one manufacturer/exporter of the subject merchandise to the United States during the period of review (POR), August 1, 1998 through July 31, 1999. Based on our analysis of the comments received, we have made changes in the margin calculations. As a result, we have determined that no margin exists for Acciai Speciali Terni S.p.A. (AST).
