

249.100) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17f-1(c) (17 CFR 240.17f-1(c)) requires approximately 26,000 entities in the securities industry to report lost, stolen, missing, or counterfeit securities to a central database. Form X-17F-1A (17 CFR 249.100) facilitates the accurate reporting and precise and immediate data entry into the central database. Reporting to the central database fulfills a statutory requirement that reporting institutions report and inquire about missing, lost, counterfeit, or stolen securities. Reporting to the central database also allows reporting institutions to gain access to the database that stores information for the Lost and Stolen Securities Program.

We estimate that 26,000 reporting institutions will report that securities are either missing, lost, counterfeit, or stolen annually and that each reporting institution will submit this report 50 times each year. The staff estimates that the average amount of time necessary to comply with Rule 17f-1(c) and Form X-17F-1A is five minutes. The total burden is 108,333 hours annually for respondents (26,000 times 50 times 5 divided by 60).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("Paperwork Reduction Act"), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

As part of our evaluation of the potential of interactive data tagging technology, the Commission permits registered investment companies ("funds") to submit on a voluntary basis specified financial statement and portfolio holdings disclosure tagged in eXtensible Business Reporting Language ("XBRL") format as an exhibit to certain filings on the Commission's Electronic Data Gathering, Analysis and Retrieval System ("EDGAR"). The current voluntary program permits any fund to participate merely by submitting a tagged exhibit in the required manner. These exhibits are publicly available but are considered furnished rather than filed. The purpose of the collection of information is to help evaluate the usefulness of data tagging and XBRL to registrants, investors, the Commission, and the marketplace.

We estimate that no funds participate in the voluntary program each year. This information collection, therefore, imposes no time burden; however, we are requesting a one hour burden for administrative purposes. We also estimate that the information collection imposes no cost burden.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Participation in the program is voluntary. Submissions under the program will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

Deputy Secretary.
