Background

The Uniform Act (42 U.S.C. 4601, *et seq.*) provides for uniform and equitable treatment of persons displaced from their homes, businesses, or farms by Federal and federally assisted programs and establishes uniform and equitable land acquisition policies for Federal and federally assisted programs. On December 17, 2003, the FHWA issued a notice of proposed rulemaking (NPRM) concerning several sections of the regulations that set forth government-wide requirements for implementing the Uniform Act (68 FR 70342). During the public comment period for the NPRM, several areas of concern were raised regarding the Uniform Act that could not be dealt with through the regulatory process.

Therefore, the FHWA has decided to hold five public listening sessions in order to provide the public with an additional opportunity to discuss their concerns directly with agency officials. The FHWA is interested in obtaining additional information from the public to determine whether any changes to the Uniform Act are necessary, and if so, what portions of the statute need to be updated or otherwise revised.

Authority: 23 U.S.C. 315; 42 U.S.C. 4601, *et seq.*; 49 CFR 1.48; 49 CFR 24.

Issued on: February 19, 2004.

Associate Administrator for Planning, Environment and Realty.
