## DEPARTMENT OF AGRICULTURE

### Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding: whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques and other forms of information technology.

Comments regarding this information collection received by November 2, 2023 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

### Forest Service

*Title:* Disposal of Mineral Materials.

*OMB Control Number:* 0596–0081.

*Summary of Collection:* The Forest Service (FS) is responsible for overseeing the management of National Forest System land. The Multiple-Use Mining Act of 1955 (30 U.S.C. 601, 603, 611–615) gives the FS specific authority to manage the disposal of mineral materials mined from National Forest land. FS uses form FS–2800–9, "Contract for the Sale of Mineral Materials" to collect detailed information on the planned mining and disposal operations as well as a contract for the sale of mineral materials.

*Need and Use of the Information:* The collected information enables the Forest Service to document planned operations, to prescribe the terms and conditions the agency deems necessary to protect surface resources, and to affect a binding contract agreement. Forest Service employees will evaluate the collected information to ensure that entities applying to mine mineral materials are financially accountable and will conduct their activities in accordance with the mineral regulations of title 36, Code of Federal Regulations, part 228, subpart C (36 CFR part 228).

If this information is not collected, the Forest Service would be unable to comply with Federal regulations to mine mineral materials, and operations could cause undue damage to surface resources.

*Description of Respondents:* Business or other for-profit.

*Number of Respondents:* 2,722.

*Frequency of Responses:* Reporting: on occasion.

*Total Burden Hours:* 7,040.
