

and makes its recommendations for the Medal to the Secretary. Committee members are distinguished experts in the fields of science, technology, business, and patent law drawn from both the public and private sectors and are appointed by the Secretary for three-year terms.

The NMTI Nomination Evaluation Committee was established in accordance with the FACA. The Committee meeting will be closed to the public in accordance with the FACA and 5 U.S.C. 552b(c)(4), (6) and (9)(B), because the discussion of the relative merit of the Medal nominations is likely to disclose information of a personal nature that would constitute a clearly unwarranted invasion of personal privacy; premature disclosure of the Committee's recommendations would be likely to significantly frustrate implementation of the Medal Program; and the meeting will include a Department of Commerce Ethics Division presentation and question and answer session which may be closed to protect the privileged and confidential personal financial information of Committee members.

The Chief Financial Officer and Assistant Secretary for Administration, United States Department of Commerce, formally determined on June 6, 2013, pursuant to Section 10(d) of the FACA, that the meeting may be closed because Committee members are concerned with matters that are within the purview of 5 U.S.C. 552b(c)(4), (6) and (9)(B). Due to closure of this meeting, copies of any minutes of the meeting will not be available. A copy of the determination is available for public inspection at the United States Patent and Trademark Office.

Dated: June 10, 2013.

Teresa Stanek Rea,

Acting Under Secretary of Commerce for Intellectual Property and Acting Director of the United States Patent and Trademark Office.
