

1. No earlier group connected to the human remains and associated funerary objects.

2. No Indian Tribe or Native Hawaiian organization connected to the human remains and associated funerary objects.

3. No relationship of shared group identity between the earlier group and the Indian Tribe or Native Hawaiian organization that can be reasonably traced through time.

#### Determinations

The OSA BP has determined that:

- The human remains described in this notice represent the physical remains of 132 individuals of Native American ancestry.
- The 21 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- No known lineal descendant who can trace ancestry to the human remains and associated funerary objects in this notice has been identified.
- No Indian Tribe or Native Hawaiian organization with cultural affiliation to the human remains and associated funerary objects in this notice has been clearly or reasonably identified.
- The human remains and associated funerary objects described in this notice will be reinterred according to applicable laws and policies.

#### Claims for Disposition

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Reinterment of the human remains and associated funerary objects described in this notice may occur on or after September 15, 2025. If requests for repatriation are received, the OSA BP must evaluate the requests and respond in writing to the requestors. The OSA BP is responsible for sending a copy of this notice to the Indian Tribes or Native Hawaiian organizations identified in this notice.

#### Notice of Inventory Completion: David A. Fredrickson Archaeological Collections Facility at Sonoma State University, Rohnert Park, CA

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Sonoma State University has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the associated funerary objects in this notice may occur on or after September 15, 2025.

**ADDRESSES:** Send written requests for repatriation of the associated funerary objects in this notice to Elise-Alexandria Green, Sonoma State University, 1801 East Cotati Avenue, Rohnert Park, CA 94928, email [elise.green@sonoma.edu](mailto:elise.green@sonoma.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Sonoma State University, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Based on the information available, 985 associated funerary objects have been identified.

A total of 895 associated funerary objects were removed from CA–KER–824 near McKittrick California, in Kern County. The associated funerary objects were removed from the site during archaeological survey and monitoring by the Sonoma State University Academic Foundation Inc, contracted by the Getty Oil Company of Bakersfield, California. The 895

associated funerary objects are flaked stone tools, debitage, groundstone tools, historic material, modified shell, shell beads, faunal bone, and deity shell. The cultural items have been at Sonoma State University since 1980 under the number 80–09.

In 1973, 89 associated funerary objects were donated to Sonoma State University by Ken Russel. The cultural items were removed from the Old Kern River 20 miles north of Taft in Kern County, California. The cultural items are glass and shell beads. The cultural items have been at Sonoma State University since their donation under the number 73–31.

In 1988, one associated funerary object was removed from near Buena Vista Lake in Kern County, California. No additional information on why the item was removed from its location or why it was brought to Sonoma State were located. The cultural item is a flaked stone tool. The cultural item has been at the university since under the number 88–13

Based on records concerning the associated funerary objects and the institution in which they were housed, there is no evidence of the cultural items being treated with hazardous substances.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is identified clearly by information available, including oral traditional, geographical, and biological information described in this notice and Tejon Indian Tribe.

#### Determinations

The Sonoma State University has determined that:

- The 985 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the associated funerary objects described in this notice and the Tejon Indian Tribe.

#### Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization

not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the associated funerary objects in this notice to a requestor may occur on or after September 15, 2025. If competing requests for repatriation are received, the Sonoma State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. The Sonoma State University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

### Notice of Intended Repatriation: California Academy of Sciences, San Francisco, CA

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California Academy of Sciences (CAS) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the cultural items in this notice may occur on or after September 15, 2025.

**ADDRESSES:** Send additional, written requests for repatriation of the cultural items in this notice to Cheryl Tripathi, California Academy of Sciences Anthropology Department, Golden Gate Park, 55 Music Concourse Drive, San Francisco, CA 94118, email [ctripathi@calacademy.org](mailto:ctripathi@calacademy.org).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the

National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the California Academy of Sciences and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

### Abstract of Information Available

A total of seven cultural items have been requested for repatriation. The seven objects of cultural patrimony are all baskets. According to accession records, these baskets originated from Riverside and San Diego Counties in Southern California or were woven in the style of baskets from Indigenous communities of those counties. Four of these baskets were acquired as gifts to the CAS Anthropology Department from the personal collections of local donors. One basket was purchased by the CAS Anthropology Department from the School of American Research in Santa Fe in 1987; another was purchased by the CAS Anthropology Department from the annual California Indian Basketweavers Association in Thousand Oaks, CA, in 1998. As far as is known, there have been no hazardous substances used to treat any of these objects.

### Determinations

The California Academy of Sciences has determined that:

- The seven objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision).
- There is a reasonable connection between the cultural items described in this notice and the Cahuilla Band of Indians.

### Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on

or after September 15, 2025. If competing requests for repatriation are received, the California Academy of Sciences must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The California Academy of Sciences is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
