

CFR 351.214 (c), for a new shipper review of the antidumping duty order on honey from the PRC, which has a December annual anniversary month. Xinan identified itself as the producer and exporter of honey. As required by 19 CFR 351.214(b)(2)(i), and (iii)(A), Xinan certified that it did not export honey to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which exported honey to the United States during the POI. Furthermore, Xinan has also certified that its export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B). Pursuant to the Department's regulations at 19 CFR 351.214(b)(2)(iv), Xinan submitted documentation establishing the date on which the subject merchandise was first entered for consumption in the United States, the volume of that first shipment and any subsequent shipments, and the date of the first sale to an unaffiliated customer in the United States.

The Department conducted Customs database queries to confirm that Xinan's shipment had officially entered the United States via assignment of an entry date in the Customs database by U.S. Customs and Border Protection ("CBP"). In addition, the Department confirmed the existence of Xinan and its U.S. affiliate, Xin'an USA, Inc., which also served as the importer of record.

Initiation of Review

In accordance with section 751(a)(2)(B) of the Tariff Act of 1930 ("the Act"), as amended, and 19 CFR 351.214(d)(1), and based on information on the record, we are initiating a new shipper review for Xinan. See Memorandum to the File through James C. Doyle, "New Shipper Review Initiation Checklist," dated January 31, 2005. We intend to issue the preliminary results of this review not later than 180 days after the date on which this review was initiated, and the final results of this review within 90 days after the date on which the preliminary results were issued.

Pursuant to 19 CFR 351.214(g)(1)(i)(A) of the Department's regulations, the period of review ("POR") for a new shipper review, initiated in the month immediately following the anniversary month, will be the 12-month period immediately preceding the anniversary month. Therefore, the POR for the new shipper review of Xinan is December 1, 2003 through November 30, 2004.

It is the Department's usual practice in cases involving non-market economies to require that a company seeking to establish eligibility for an

antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to Xinan, including a separate rates section. The review will proceed if the responses provide sufficient indication that Xinan is not subject to either *de jure* or *de facto* government control with respect to their exports of honey. However, if Xinan does not demonstrate its eligibility for a separate rate, then it will be deemed not separate from other companies that exported during the POI and the new shipper review will be rescinded.

In accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e), we will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a single entry bond or security in lieu of a cash deposit for certain entries of the merchandise exported by Xinan. Specifically, since Xinan has stated that it is both the producer and exporter of the subject merchandise for the sale under review, we will instruct CBP to limit the bonding option only to entries of merchandise that were both exported and produced by Xinan. Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

Dated: January 31, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Sophie Castro or P. Lee Smith, Import Administration, International Trade

Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone: (202) 482-0588 or (202) 482-1655, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 1, 2004, the Department of Commerce (Department) published in the **Federal Register** (69 FR 53407) a notice of "Opportunity To Request Administrative Review" of the antidumping duty order on stainless steel wire rod from Sweden for the period September 1, 2003, through August 31, 2004. On September 30, 2004, the petitioner¹ requested an administrative review of the antidumping duty order for the following company: Fagersta Stainless AB (Fagersta). On October 22, 2004, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel wire rod from Sweden with respect to this company. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 69 FR 62022. On January 12, 2005, the petitioner timely withdrew its request for review with respect to Fagersta.

Rescission of Review

Section 351.213(d)(1) of the Department's regulations stipulates that the Secretary will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. In this case, the petitioner withdrew its request for review of Fagersta within the 90-day period. Therefore, because the petitioner was the only party to request the administrative review of this company, we are rescinding this review of the antidumping duty order on stainless steel wire rod from Sweden.

This notice is published in accordance with section 751 of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
