

letter on the draft EIS, including the beneficial reuse of dredged material, EPA continued to express concerns that the final EIS did not demonstrate independence of the proposed action and the planned Terminal Deepening Project; provide specific Best Management Practices to protect water quality; or provide further information on air pollution due to the increased number of large vessels using the Port.

ERP No. F-FHW-F40407-IN, I-69 Evansville to Indianapolis Corridor Study, I-69 Completion in Southwestern Indiana and Corridor Selection, IN.

Summary: EPA continues to have environmental concerns with the proposed project regarding future project compliance with CWA section 404 and potential impacts in karst areas. EPA recommends that the Tier 1 ROD commit to all proposed mitigation measures and advises that Tier 2 EISs contain adequate indirect and cumulative impacts analyses.

ERP No. F-NPS-F65038-OH, Cuyahoga Valley National Park Rural Landscape Management Program, Rural Landscape Resources Preservation and Protection, Cuyahoga River, Cuyahoga and Summit Counties, OH.

Summary: The final EIS addressed EPA's previous comments, therefore EPA has no objection to the action as proposed.

ERP No. F-NPS-G65085-AR, Arkansas Post National Memorial General Management Plan, Implementation, Osotouy Unit, Arkansas and Mississippi Rivers, Arkansas County, AR.

Summary: No formal comment letter was sent to the preparing agency.

Dated: February 24, 2004.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. Potentially affected entities may include, but are not limited to:

- Crop production (NAICS 111)
- Animal production (NAICS 112)
- Food manufacturing (NAICS 311)
- Pesticide manufacturing (NAICS 32532)

This listing is not intended to be exhaustive, but rather provides a guide for readers regarding entities likely to be affected by this action. Other types of entities not listed in this unit could also be affected. The North American Industrial Classification System (NAICS) codes have been provided to assist you and others in determining whether this action might apply to certain entities. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2004-0053. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket.
