

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: July 2, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Fresh Garlic from the People's Republic of China: Extension of Time Limits for Final Results of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 9, 2007.

FOR FURTHER INFORMATION CONTACT:

Javier Barrientos or Irene Gorelik, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2243 and (202) 482-6905, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On April 23, 2007, the Department of Commerce ("the Department") issued the preliminary results of these new shipper reviews. See *Fresh Garlic from the People's Republic of China: Preliminary Results of New Shipper Reviews*, 72 FR 21219 (April 30, 2007) ("Preliminary Results").

Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within

180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

In order to allow parties additional time to submit comments regarding the Department's *Preliminary Results*, the Department extended the deadline for the submission of case and rebuttal briefs. As a result of the extensions and the extraordinarily complicated issues raised in these reviews, including surrogate valuation and *bona fides* issues, it is not practicable to complete these new shipper reviews within the current time limit. Accordingly, the Department is extending the time limit for the completion of these final results to September 20, 2007 (150 days after issuance of the *Preliminary Results*), in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: June 28, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Solid Agricultural Grade Ammonium Nitrate from Ukraine: Continuation of Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce ("the Department") and the International Trade Commission ("ITC") that revocation of the antidumping duty order on solid agricultural grade ammonium nitrate from Ukraine would likely lead to continuation or recurrence of dumping, and material injury to an industry in the United States, the Department is publishing notice of continuation of this antidumping duty order.

EFFECTIVE DATE: July 9, 2007.

FOR FURTHER INFORMATION CONTACT:

Audrey Twyman or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3534 and (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On August 1, 2006, the Department initiated and the ITC instituted sunset reviews of the antidumping duty order on solid agricultural grade ammonium nitrate from Ukraine pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").¹

As a result of its review, the Department found that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping, and notified the ITC of the magnitude of the margins likely to prevail were the order to be revoked.² On June 27, 2007, the ITC determined pursuant to section 751(c) of the Act, that revocation of the antidumping duty order on solid agricultural grade ammonium nitrate from Ukraine would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.³

Scope of the Order

The merchandise covered by this order are solid, fertilizer grade ammonium nitrate ("ammonium nitrate" or "subject merchandise") products, whether prilled, granular or in other solid form, with or without additives or coating, and with a bulk density equal to or greater than 53 pounds per cubic foot. Specifically excluded from this scope is solid ammonium nitrate with a bulk density less than 53 pounds per cubic foot (commonly referred to as industrial or explosive grade ammonium nitrate). The merchandise subject to this investigation is classified in the Harmonized Tariff Schedule of the United States ("HTSUS") at subheading 3102.30.00.00. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.
