

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission**

[Docket No. RP00-307-001]

U-T Offshore System, L.L.C.; Notice of Compliance Filing

July 18, 2000.

Take notice that on July 12, 2000, U-T Offshore System, L.L.C (UTOS), tendered for filing as part of its FERC Gas Tariff, Fourth Revised volume No. 1, Substitute First Revised Sheet No. 97, with an effective date of November 5, 1999.

UTOS states that it is filing this tariff sheet to comply with the Commission's June 27, 2000 Letter Order in the referenced proceeding.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with section 3385.211 of the Commission's rules and regulations. All such protests must be filed as provided in Section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

David P. Boergers,

Secretary.

BILLING CODE 6717-01-M

DEPARTMENT OF ENERGY**Federal Energy Regulatory Commission**

[Docket No. EG00-177-000, et al.]

Conectiv Mid-Merit, Inc., et al.; Electric Rate and Corporate Regulation Filings

July 13, 2000.

Take notice that the following filings have been made with the Commission:

1. Conectiv Mid-Merit, Inc.

[Docket No. EG00-177-000]

Take notice that on June 16, 2000, Conectiv Mid-Merit, Inc. (CMM) filed with the Federal Energy Regulatory Commission (Commission), an application for determination of exempt wholesale generator status pursuant to

Part 365 of the Commission's regulations.

CMM is a subsidiary of Conectiv, which is a public utility holding company under the Public Utility Holding Company Act (PUHCA). Conectiv also owns Delmarva Power & Light Company (Delmarva) and Atlantic City Electric Company (ACE), each of which is operating public utilities under PUHCA and the Federal Power Act. Conectiv also owns Conectiv Energy Supply, Inc. (CESI), which is engaged in competitive wholesale and retail sales of electricity, among other activities.

CMM intends to own and operate eighteen (18) combustion turbine generation facilities each with a capacity of about 110 MW. The facilities do not currently exist but are to be constructed pursuant to a contract with a manufacturer. CMM represents that it will be exclusively in the business of owning and operating eligible facilities and selling electric energy at wholesale. CMM represents that no State Commission determinations are necessary with respect to these facilities to be constructed.

Comment date: August 3, 2000, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

2. Adirondack Hydro Development Corporation

[Docket No. EG00-221-000]

Take notice that on July 7, 2000, Adirondack Hydro Development Corporation (Adirondack) filed with the Federal Energy Regulatory Commission an application or determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Adirondack owns and operates a 0.525 MW hydroelectric facility located on the Otter Creek in the Town of Greig, in Lewis County, New York.

Adirondack's business offices are located at 39 Hudson Falls Road in South Glens Falls, New York.

Comment date: August 3, 2000, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

3. Sissonville Limited Partnership

[Docket No. EG00-222-000]

Take notice that on July 7, 2000, Sissonville Limited Partnership (Sissonville) filed with the Federal Regulatory Commission an application for determination of exempt wholesale

generator status pursuant to Part 365 of the Commission's regulations.

Sissonville is a limited partnership formed under the laws of the State of New York for the purpose of owning and operating a 2.3 MW hydroelectric facility located on the Raquette River in the Town of Potsdam, St. Lawrence County, New York. Sissonville's business offices are located at 39 Hudson Falls Road, in South Glens Falls, New York.

Comment date: August 3, 2000, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

4. NYSD Limited Partnership

[Docket No. EG00-223-000]

Take notice that on July 7, 2000, New York State Dam Limited Partnership (NYSD) filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

NYSD is a limited partnership formed under the laws of the State of New York for the purpose of owning and operating a 10.83 MW hydroelectric facility located on the Mohawk River near the Town of Waterford and City of Cohoes in Saratoga and Albany Counties. NYSD has an easement from the State of New York for purposes of construction and operation of the Facility. NYSD's business offices are located at 39 Hudson Falls Road, in South Glens Falls, New York.

Comment date: August 3, 2000, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

5. Warrensburg Hydro Power Limited Partnership

[Docket No. EG00-224-000]

Take notice that on July 7, 2000, Warrensburg Hydro Power Limited Partnership (Warrensburg) filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Warrensburg is a limited partnership formed under the laws of the State of New York for the purpose of owning and operating a 2.835 MW hydroelectric facility located on the Schroon River in the Town of Warrensburg, in Warren County, New York. Warrensburg has a 40-year easement from the State of New York for purposes of the construction
