

**Final Results of Review**

Our review of the information submitted by Severstal indicates that the company has adhered to the terms of the Agreement, as indicated in our preliminary results. See *Preliminary Results*. The Department finds no evidence in the information submitted by Severstal of any discrepancies in Severstal's exports to the United States, either directly or through third countries, which would constitute a violation of the Agreement. Furthermore, the Department has not received any comments on the matter from Nucor nor any other interested party, either prior or subsequent to the issuance of the *Preliminary Results*. Therefore, we continue to find that Severstal has been in compliance with the Agreement.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation. We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
