SUPPLEMENTARY INFORMATION:

I. Background

In the Federal Register on October 25, 2019 (84 FR 57441), FDA published a notice with a 90-day comment period to request comments on the revised draft guidance for industry and staff entitled "Drug Products Labeled as Homeopathic." In the Federal Register on January 8, 2020 (85 FR 918), FDA published a notice extending the comment period for 60 days until March 23, 2020. FDA is extending the comment period for an additional 60 days, in response to a request from a stakeholder, until May 23, 2020. The Agency believes that a 60-day extension allows adequate time for interested persons to submit comments without significantly delaying publication of the final version of the guidance.
