SUPPLEMENTARY INFORMATION:

Description: States, including the District of Columbia, tribes, tribal organizations, and U.S. territories applying for LIHEAP block grant funds must, prior to receiving federal funds, submit an annual application (Model Plan, ACF–122) that meets the LIHEAP statutory and regulatory requirements. In addition to the Model Plan, grantees are also required to complete the Mandatory Grant Application, SF–424—Mandatory, which is included as the first section of the Model Plan.

The LIHEAP Model Plan is an electronic form and is submitted to OCS/ACF through the On-line Data Collection (OLDC) system within GrantSolutions, which is currently being used by all LIHEAP grantees to submit other required LIHEAP reporting forms. In order to reduce the reporting burden, all data entries from each grantee’s prior year’s submission of the Model Plan in OLDC are saved and repopulated into the form for the following fiscal year’s application.

Respondents: States, the District of Columbia, U.S. territories, and tribal governments.
