**Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance**

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
73,776 .....	Workshops of G.E. Henn Pottery .....	New Waterford, OH .....	
73,816 .....	IUE-CWA Local Union 808, International Union of Electronic, Electrical, Salaried, etc.	Evansville, IN .....	

The following determinations terminating investigations were issued

because the petitions are the subject of ongoing investigations under petitions

filed earlier covering the same petitioners.

TA-W No.	Subject firm	Location	Impact date
74,303 .....	AGY Holding Corporation .....	Huntingdon, PA .....	

The following determinations terminating investigations were issued because the Department issued a negative determination on petitions related to the relevant investigation

period applicable to the same worker group. The duplicative petitions did not present new information or a change in circumstances that would result in a reversal of the Department's previous

negative determination, and therefore, further investigation would duplicate efforts and serve no purpose.

I hereby certify that the aforementioned determinations were issued during the period of *September 7, 2010 through September 10, 2010*. Copies of these determinations may be requested under the Freedom of Information Act.
