The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104-13, October 1, 1995, and 44 U.S.C. 3507.

Needs and Uses: Collection of the information on FCC Forms 470 and 471 is necessary so that the Commission and USAC have sufficient information to determine if entities are eligible for funding pursuant to the schools and libraries support mechanism, to determine if entities are complying with the Commission's rules, and to prevent waste, fraud, and abuse. In addition, the information is necessary for the Commission to evaluate the extent to which the E-rate program is meeting the statutory objectives specified in section 254(h) of the 1996 Act, and the Commission's performance goals established in the *E-rate Modernization Order* and *Second E-rate Modernization Order*.

In December 2019, the Commission adopted the *Category Two Order*, which modified E-Rate program rules to, among other things: Make permanent the category two budget approach, which provides applicants with a set amount of category two funding for a five-year period; allow applicants to apply for category two funding on a school district-wide or library system-wide basis, rather than an entity-level basis; and decrease the administrative burden on applicants requesting funding for category two services. The Commission sought to modify the FCC Form 471 to implement these changes for funding year 2021, as set forth in the *Category Two Order*.

The submission was made for proposed non-substantive changes to an existing information collection pursuant to 44 U.S.C. 3507. The submission sought to make non-substantive changes to certain fields, instructions, and the filing process for the FCC Form 471 to implement the changes adopted by the Commission in the *Category Two Order*, FCC 19-117. The submission also sought to make non-substantive changes to the instructions and process by which applicants fill out the FCC Form 471 to improve the user experience and reduce the administrative burden. There are no proposed changes for the FCC Form 470. The FCC Form 471 is contained in an online database.
