Science Advisory Board Staff Office; Notification of a Public Meeting of the Science Advisory Board Hypoxia Advisory Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA's Science Advisory Board (SAB) Staff Office is announcing a public meeting of the SAB Hypoxia Advisory Panel to discuss the science concerning the hypoxic zone in the Gulf of Mexico.

DATES: The meeting will be held from February 28–March 2, 2007.

ADDRESSES: The meeting will be held at the SAB Conference Center located at 1025 F Street, NW., Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information regarding the public meeting may contact Dr. Holly Stallworth, Designated Federal Officer (DFO), U.S. EPA Science Advisory Board Staff Office by telephone/voice mail at (202) 343-9867, or via e-mail at stallworth.holly@epa.gov. The SAB mailing address is: U.S. EPA, Science Advisory Board (1400F), 1200 Pennsylvania Avenue, NW., Washington, DC 20460. General information about the SAB, as well as any updates concerning the meeting announced in this notice, may be found in the SAB Web site at: <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act, Public Law 92-463, notice is hereby given that the SAB Hypoxia Advisory Panel will hold a public meeting to develop a report that details advances in the state-of-the science regarding hypoxia in the Northern Gulf of Mexico. The SAB was established by 42 U.S.C. 4365 to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

Background: EPA participates with other Federal agencies, states and tribes in the Mississippi River/Gulf of Mexico Watershed Nutrient Task Force. In 2001, the Task Force released the Action Plan for Reducing, Mitigating and Controlling Hypoxia in the Northern Gulf of Mexico (or Action Plan available at <http://www.epa.gov/msbasin/taskforce/actionplan.htm>). The Action Plan was informed by the science described in An Integrated Assessment of Hypoxia in the Northern Gulf of Mexico (or Integrated Assessment available at http://www.noaa.gov/products/hypox_finalfront.pdf) developed by the National Science and Technology Council, Committee on Environment and Natural Resources. Six technical reports provided the scientific foundation for the Integrated Assessment and are available at http://www.nos.noaa.gov/products/pub_hypox.html. The aforementioned

documents provide a comprehensive summary of the state-of-the-science for the Gulf of Mexico hypoxic zone through about the year 2000. EPA's Office of Water has requested that the SAB develop a report that evaluates the state-of-the-science regarding the causes and extent of hypoxia in the Gulf of Mexico, as well as the scientific basis of possible management options in the Mississippi River Basin.

In response to EPA's request, the SAB Staff Office formed the SAB Hypoxia Advisory Panel. Background on the Panel formation process was provided in a **Federal Register** notice published on February 17, 2006 (71 FR 8578–8580). The SAB Hypoxia Advisory Panel met on September 6–7, 2006 (noticed in 71 FR 45543–45544) and again on December 6–8, 2006 (noticed in 71 FR 66329–66330). Teleconferences of the full Hypoxia Advisory Panel and its three subgroups have also been published in **Federal Register** notices (71 FR 55786–55787, 71 FR 59107 and 71 FR 77743–77744). Information about the SAB Hypoxia Advisory Panel is available on the SAB Web site at: <http://www.epa.gov/sab>.

Availability of Meeting Materials: Materials in support of this meeting will be placed on the SAB Web site <http://www.epa.gov/sab/> in advance of the meeting.

Procedures for Providing Public Input: Interested members of the public may submit relevant written or oral information for the SAB to consider during the advisory process.

Oral Statements: In general, individuals or groups requesting an oral presentation at a public meeting will be limited to five minutes per speaker, with no more than a total of one hour for all speakers. Interested parties should contact Dr. Stallworth, DFO, at the contact information noted above, no later than February 20, 2007, to be placed on the public speaker list for the February 28–March 2, 2007 meeting.

Written Statements: Written statements should be received in the SAB Staff Office no later than February 20, 2007 so that the information may be made available to the SAB for their consideration prior to this meeting. Written statements should be supplied to the DFO in the following formats: One hard copy with original signature, and one electronic copy via e-mail to stallworth.holly@epa.gov (acceptable file format: Adobe Acrobat PDF, WordPerfect, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format).

Meeting Access: For information on access or services for individuals with disabilities, please contact Dr.

Stallworth at (202) 343-9867 or stallworth.holly@epa.gov. To request accommodation of a disability, please contact Dr. Stallworth, preferably at least 10 days prior to the meeting to give EPA as much time as possible to process your request.

Dated: February 1, 2007.

Anthony F. Maciorowski,
Deputy Director, EPA Science Advisory Board
Staff Office.

SUPPLEMENTARY INFORMATION:

I. General Information

A. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action

under Docket ID No. EPA-HQ-OECA-2007-0026.

The official public docket consists of the Consent Agreement, proposed Final Order, and any public comments received. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Enforcement and Compliance Docket Information Center (ECDIC) in the EPA Docket Center, (EPA/DC) EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number for the Public Reading Room is (202) 566-1744, and the telephone number for the ECDIC is (202) 566-1752. A reasonable fee may be charged by EPA for copying docket materials.

2. *Electronic Access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket identification number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available

docket materials through the docket facility identified in Section I.A.1.

For public commentors, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the Docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the Docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public docket along with a brief description written by the docket staff.

B. How and To Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand delivery/courier. To ensure proper receipt by EPA, identify the appropriate docket identification number in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

1. *Electronically.* If you submit an electronic comment as prescribed below, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. Also include this contact information on the outside of any disk or CD-ROM you submit, and in any cover letter accompanying the disk or CD-ROM. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. EPA's policy is that EPA will not edit your comment, and any identifying or contact information
