SUPPLEMENTARY INFORMATION:

I. Abstract

Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected parties have an opportunity to comment on information collection and recordkeeping activities (*see* 5 CFR 1320.8(d)). This notice identifies an information collection activity that the Office of the Special Trustee for American Indians has submitted to OMB for renewal.

The American Indian Trust Fund Management Reform Act of 1994 (Pub. L. 103-412) makes provisions for the Office of the Special Trustee for American Indians to administer trust fund accounts for individuals and tribes. The collection of information is required to facilitate the processing of deposits, investments, and distribution of monies held in trust by the U.S. Government and administered by the Office of the Special Trustee for American Indians. The collection of information provides the information needed to establish procedures to: Deposit and retrieve funds from accounts, perform transactions such as cashing checks, reporting lost or stolen checks, stopping payment of checks, and general verification for account activities.

The OMB granted a three-year extension on March 12, 2007. The Office of the Special Trustee for American Indians is requesting to extend the information collection approval authority in order to enable the Department of the Interior to continue to comply with the American Indian Trust Fund Management Reform Act of 1994.

on the Payette River, thence; N. 09°01'08" W., 950.95 feet to AP36 and the True Point of Beginning.

The above described islands in section ten are claimed by Mr. Zamzow on the basis that they grew up out of the bed of the river after statehood and therefore belong to the State of Idaho, if the Payette River is navigable, or belong to the upland owners, if it is non-navigable. Mr. Zamzow owns the property on the right, or north, bank of the Payette River and claims the portions of the two islands are included in the property he owns. The United States has no claim to or interest in the land described and issuance of a recordable disclaimer will remove a cloud of title to the land.

Comments, including names and street addresses of commentors, will be available for public review at the BLM Idaho State Office (*see ADDRESSES* above), during regular business hours, Monday through Friday, except Federal holidays. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

If no valid objection is received, a Disclaimer of Interest may be approved stating that the United States does not have a valid interest in these islands.

Jerry L. Taylor,

Chief, Branch of Lands, Minerals and Water Rights, Resource Services Division.
