### International Trade Administration

[A-570-941]

#### **Certain Kitchen Appliance Shelving and Racks From the People's Republic of China: Final Results and Partial Rescission of Antidumping Duty Administrative Review; 2011-2012**

**AGENCY:** Enforcement and Compliance, Formerly Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On September 4, 2013, the Department of Commerce ("Department") published the *Preliminary Results*<sup>1</sup> of the 2011-2012 administrative review of the antidumping duty order on certain kitchen appliance shelving and racks from the People's Republic of China: ("PRC"). The period of review ("POR") is September 1, 2011, through August 31, 2012. We gave interested parties an opportunity to comment on the *Preliminary Results*, but we received none. The final weighted-average dumping margin for the exporter covered by this administrative review, New King Shan (Zhu Hai) Wire Co., Ltd., is listed in the "Final Results of Review" section below.

**DATES:** *Effective Date:* January 17, 2014.

**FOR FURTHER INFORMATION CONTACT:** Emeka Chukwudebe, AD/CVD Operations, Office 9, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0219.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Department has conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended ("the Act").

<sup>1</sup> See *Certain Kitchen Appliance Shelving and Racks From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2011-2012*, 78 FR 54450 (September 4, 2013) ("*Preliminary Results*").

#### **Scope of the Order**

The scope of the order consists of shelving and racks for refrigerators, freezers, combined refrigerator-freezers, other refrigerating or freezing equipment, cooking stoves, ranges, and ovens ("certain kitchen appliance shelving and racks" or "the merchandise under order"). Certain kitchen appliance shelving and racks are defined as shelving, baskets, racks (with or without extension slides, which are carbon or stainless steel hardware devices that are connected to shelving, baskets, or racks to enable sliding), side racks (which are welded wire support structures for oven racks that attach to the interior walls of an oven cavity that does not include support ribs as a design feature), and subframes (which are welded wire support structures that interface with formed support ribs inside an oven cavity to support oven rack assemblies utilizing extension slides) with the following dimensions:

- shelving and racks with dimensions ranging from 3 inches by 5 inches by 0.10 inch to 28 inches by 34 inches by 6 inches; or
- baskets with dimensions ranging from 2 inches by 4 inches by 3 inches to 28 inches by 34 inches by 16 inches; or
- side racks from 6 inches by 8 inches by 0.1 inch to 16 inches by 30 inches by 4 inches; or
- subframes from 6 inches by 10 inches by 0.1 inch to 28 inches by 34 inches by 6 inches.

The merchandise under the order is comprised of carbon or stainless steel wire ranging in thickness from 0.050 inch to 0.500 inch and may include sheet metal of either carbon or stainless steel ranging in thickness from 0.020 inch to 0.2 inch. The merchandise under this order may be coated or uncoated and may be formed and/or welded. Excluded from the scope of this order is shelving in which the support surface is glass.

The merchandise subject to the order is currently classifiable in the Harmonized Tariff Schedule of the United States ("HTSUS") statistical reporting numbers 8418.99.8050, 8418.99.8060, 7321.90.5000, 7321.90.6090, 8516.90.8000, 7321.90.6040, 8516.90.8010 and 8419.90.9520. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

#### **PRC-Wide Entity**

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an

administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the initiation notice of the requested review. As noted in the *Preliminary Results*, Petitioners timely requested an administrative review for Jiangsu Weixi Group, Co. ("Weixi"), a company that previously has not received a separate rate in earlier segments of this proceeding. Petitioners were the only parties to request an administrative review of Weixi, and timely withdrew their request for review of Weixi.<sup>2</sup>

In the *Preliminary Results*, because the PRC-wide entity remained potentially under review for the final results of this administrative review, the Department did not rescind this review for Weixi, because it was part of the PRC-wide entity. The PRC-wide entity did not come under review for these final results. Therefore, for the final results the Department is rescinding this review with respect to Weixi, who remains part of the PRC-wide entity.

#### **Final Results of the Review**

The Department has made no changes to the *Preliminary Results*. As a result of our review, we determine that the following dumping margin exists for the period September 1, 2011, through August 31, 2012:

Exporter	Weighted-average dumping margin (%)
New King Shan (Zhu Hai) Co., Ltd. <sup>3</sup> .....	0.00

#### **Assessment**

The Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of these final results of this review. In accordance with 19 CFR 351.212(b)(1), we are calculating importer- (or customer-) specific assessment rates for the merchandise subject to this review. For any individually examined respondent whose weighted-average

<sup>2</sup> See *Preliminary Results*, 78 FR at 54450.

<sup>3</sup> In the *Preliminary Results*, the Department found New King Shan affiliated with certain entities and treated New King Shan and one affiliated entity to be a single entity. Because we have not made any changes to the *Preliminary Results*, we will assign this rate to New King Shan and its affiliated entity in this administrative review. See *Preliminary Results*, and accompanying Preliminary Decision Memorandum at pages 3-4.
