

circumstances. If the March 31 date is not met by an insurer, Treasury will expect the insurer to demonstrate, when submitting a claim for the Federal share of compensation under the Program, why it could not comply by that date.

May an insurer still use NAIC Model Disclosure Forms to meet the disclosure requirement for property and casualty insurance policies?

Under 31 CFR 50.17(e) of the TRIA regulations, insurers are permitted to use NAIC Model Disclosure Forms No. 1 and 2 to satisfy the disclosure requirements of section 103(b)(2) of the Act, provided that the insurer uses the most current forms that are available at the time of disclosure and the current forms are deemed to satisfy the disclosure requirements of the Act. The National Association of Insurance Commissioners (NAIC) has recently modified the forms and Treasury has deemed the newly modified forms to satisfy the disclosure requirements, including the cap disclosure requirement. The new forms will be found on the Treasury Web site at <http://www.treasury.gov/trip>. Insurers are not required to use the NAIC forms, and may use other means to comply with the disclosure requirements.

Dated: January 22, 2008.

Executive Secretary.
