II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD Regulation included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD Regulation has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background

The Corporate Financing Rule regulate the underwriting terms and arrangements of public offerings of securities. The Rule requires members

to file multiple copies of documents such as registration statements and other supplemental information with the Corporate Financing Department for most public offerings.

The Department reviews the filings to ensure compliance with NASD Rules, including Rules 2710, 2720, and 2810.⁴ These rules require underwriters and their counsel to submit specified documents to the Department, such as registration statements and other documents describing the underwriting and other arrangements relating to distributions. The Department receives thousands of packages and letters each year in paper form from underwriters and their counsel. Before the Department deployed its electronic filing system, members and their counsel had to send these documents and information by regular mail, courier or fax.

In June 1999, the Department deployed the Corporate Offerings Business Regulatory Analysis System ("COBRA") to permit members and their counsel to file information electronically with the Department and to permit the staff to access any documents filed with the SEC through EDGAR. On April 30, 2001, the Department deployed a Web-based application of the COBRA system. The system consists of an internal software application used by the Department and "Web COBRADesk," a user interface that permits members and their counsel to file offerings from their offices over the Internet.

Members' use of the electronic filing system has greatly facilitated the Department's review of filings. Filings made through Web COBRADesk automatically enter the Department's database for review by the staff. By contrast, for paper filings, the staff must manually enter information into the COBRA system, which delays its review.

Web COBRADesk eliminates the need for members to file registration statements with the Department if the registration statement already has been filed with the SEC using EDGAR. Filers simply provide the Department with an EDGAR accession number when they file the original registration statement, subsequent amendments, and final prospectus. COBRA allows the staff to link to each document for review. Using COBRADesk significantly reduces members' printing and delivery expenses related to Corporate Financing

³ Subparagraphs (i)-(vi) are proposed to be amended in SR-NASD-00-04. See Securities Exchange Act Release Nos. 42619 (April 4, 2000), 65 FR 19409 (April 11, 2000); 44044 (March 6, 2001), 66 FR 14949 (March 14, 2001).

⁴ NASD Rule 2720 regulates corporate public offerings of securities where a participating member may have a conflict of interest. NASD Rule 2810 regulates public offerings of direct participation program securities.

review. In addition, the system provides each filer with a local electronic database of the information it has filed with the Department. NASD Regulation District examiners, Enforcement staff and other internal users also can access the filing information as needed.

Since its implementation, COBRA has improved the efficiency of the review process for electronic filings, decreased review time, and reduced the amount of paper correspondence and documents that members must file with the Department. The system has operated as a faster and more efficient mechanism for communication between filers and NASD Regulation.

Description of Proposed Amendments

NASD Regulation is proposing to amend NASD Rule 2710(b)(6) to require members to file information required by subparagraph (b)(6) with the Department through its electronic filing system. The obligation to file information electronically that is proposed in subparagraph (b)(6) would apply to all offerings subject to the Rule's filing requirements, regardless of whether the offering is exempt from registration with the SEC or is submitted confidentially to the SEC for review.

NASD Regulation also is proposing to adopt new subparagraph (b)(5)(B) of Rule 2710 to provide that all documents that are filed with the SEC through the EDGAR system shall be treated as filed with the Association. Members that do not file documents with the SEC through EDGAR would remain obligated to continue to submit multiple copies of any required documents in paper format. However, NASD Regulation is proposing to amend NASD Rule 2710(b)(5)(A) (ii) and (iii) to reduce the number of required copies of these documents from five to three.

Implementation

NASD Regulation has hosted several training sessions to provide opportunities for members and their counsel to learn how to file offerings using COBRADesk. In addition, certain Department staff members are dedicated to assisting filers when they access and navigate the system. Prior to and following Commission approval of the proposed rule change, the Department will provide additional training sessions and providing continuing support and assistance to members and their counsel who have questions and are unfamiliar with the system.

The NASD will publish a Notice To Members within 30 days of Commission approval announcing the proposed rule

change and providing an effective date within 60 days of Commission approval.

2. Statutory Basis

NASD Regulation believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁵ which requires, among other things, that the Association's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD Regulation believes that the proposed rule change will facilitate the Association's review of public offerings of securities and assist the Association to maintain a confidential, nonpublic database of information related to such filings.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD Regulation does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which NASD Regulation consents, the Commission will:

(A) by order approve such proposed rule change, or

(B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission,

all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing will also be available for inspection and copying at the principal office of the NASD. All submissions should refer to the File No. SR-NASD-2001-46 and should be submitted by September 14, 2001.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁶

Secretary.
