Ocean State Power; Ocean State Power II; Notice of Issuance of Order

December 27, 2007.

Ocean State Power and Ocean State Power II (collectively, Ocean State) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed market-based rate schedule provides for the sale of energy, capacity and ancillary services at market-based rates. Ocean State also requested waivers of various Commission regulations. On December 18, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development-West, granted the requests for blanket approval under Part 34 (Director's Order). Absent a request to be heard in opposition to such blanket approvals by the deadline above, Ocean State is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Ocean State, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Ocean State's issuance of securities or assumptions of liability.
