SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-85302; File No. SR-NYSEAMER-2019-02]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its NYSE American Equities Price List and the NYSE American Options Fee Schedule Related to Co-Location Services

March 13, 2019.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on March 1, 2019, NYSE American LLC ("NYSE American" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-

regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its NYSE American Equities Price List ("Price List") and the NYSE American Options Fee Schedule ("Fee Schedule") related to co-location services to make a ministerial change to reflect the name change of its affiliate Chicago Stock Exchange, Inc. and to correct a typographical error. The proposed change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Price List and Fee Schedule related to co-location⁴ services offered by the

Exchange to make a ministerial change to reflect the name change of its affiliate Chicago Stock Exchange, Inc. ("CHX") to NYSE Chicago, Inc. ("NYSE Chicago") and to correct a typographical error.

On February 15, 2019, CHX changed its name to NYSE Chicago.⁵ In a non-substantive administrative change, the Exchange proposes to update General Note 4 related to co-location services⁶ as follows:

- Delete references to "Chicago Stock Exchange, Inc." and "CHX" from the first paragraph of General Note 4, replacing them with references to "NYSE Chicago, Inc." and "NYSE Chicago"; and
- In the table under Included Data Products, delete "Chicago Stock Exchange (CHX)" from the first line and add a line for "NYSE Chicago" in alphabetical order after NYSE Bonds.

In addition, in the third sentence of the first paragraph under "Connectivity to Third Party Data Feeds," the Exchange proposes to correct a typographical error by replacing "Fees" with "Feeds."

General

As is the case with all Exchange co-location arrangements, (i) neither a User nor any of the User's customers would be permitted to submit orders directly to the Exchange unless such User or customer is a member organization, a Sponsored Participant or an agent thereof (e.g., a service bureau providing order entry services); (ii) use of the co-location services proposed herein would be completely voluntary and available to all Users on a non-discriminatory basis;⁷ and (iii) a User would only incur

⁵ See Securities Exchange Release No. 84494 (October 26, 2018), 83 FR 54953 (November 1, 2018) (SR-CHX-2018-05).

⁶ General Note 4 describes the access to trading and execution systems and the connectivity to included data products which a User receives when it purchases access to the Liquidity Center Network ("LCN") or internet protocol ("IP") network, local area networks available in the data center. See Securities Exchange Act Release No. 79728 (January 4, 2017), 82 FR 3035 (January 10, 2017) (SR-NYSEAMKT-2016-126) (notice of filing and immediate effectiveness of proposed rule change amending the Exchange's Price List and Fee Schedule related to co-location services to increase LCN and IP network fees and add a description of access to trading and execution services and connectivity to included data products).

⁷ As is currently the case, Users that receive co-location services from the Exchange will not receive any means of access to the Exchange's trading and execution systems that is separate from, or superior to, that of other Users. In this regard, all orders sent to the Exchange enter the Exchange's trading and execution systems through the same order gateway, regardless of whether the sender is co-located in the data center or not. In addition, co-located Users do

⁴ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission ("Commission") in 2010. See Securities Exchange Act Release No. 62961 (September 21, 2010), 75 FR 59299 (September 27, 2010) (SR-NYSEAmex-2010-80). The Exchange operates a data center in Mahwah, New Jersey (the "data center") from which it provides co-location services to Users. For purposes of the Exchange's co-location services, a "User" means any market participant that requests to receive co-location services directly from the Exchange. See Securities Exchange Act Release No. 76009 (September 29, 2015), 80 FR 60213 (October 5, 2015) (SR-NYSEAMKT-2015-67). As specified in the Price List and Fee Schedule, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange's affiliates New York Stock Exchange LLC ("NYSE LLC"), NYSE Arca, Inc. ("NYSE Arca") and NYSE National, Inc. ("NYSE National" and together, the "Affiliate SROs"). See Securities Exchange Act Release No. 70176 (August 13, 2013),

one charge for the particular co-location service described herein, regardless of whether the User connects only to the Exchange or to the Exchange and one or more of the Affiliate SROs.⁸

The proposed change is not otherwise intended to address any other issues relating to co-location services and/or related fees, and the Exchange is not aware of any problems that Users would have in complying with the proposed change.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁹ in general, and with Section 6(b)(1)¹⁰ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange.

The proposed rule change is a non-substantive change and does not impact the governance or ownership of the Exchange. The Exchange believes that the proposed rule change would enable the Exchange to continue to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply and enforce compliance with the provisions of the Exchange Act by its members and persons associated with its members, because ensuring that the Price List and Fee Schedule accurately reflects the name change of its affiliate NYSE Chicago and correcting a typographical error would contribute to the orderly operation of the Exchange by adding clarity and transparency to such documents.

The Exchange also believes that the proposed change furthers the objectives of Section 6(b)(5) of the Act¹¹ because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in

regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, to protect investors and the public interest and because it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that the proposed change would remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, protect investors and the public interest by ensuring that market participants can more easily navigate, understand and comply with the Price List and Fee Schedule. The Exchange believes that, by ensuring such documents accurately reflect the name change of its affiliate NYSE Chicago, the proposed change would reduce potential investor or market participant confusion by providing market participants with clarity as to what connectivity is included in the purchase of access to the LCN and IP network.

Similarly, correcting the typographical error in the third sentence of the first paragraph under “Connectivity to Third Party Data Feeds” would remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, protect investors and the public interest because the change would clarify Exchange rules and alleviate any possible market participant confusion.

For the reasons above, the proposed changes do not unfairly discriminate between or among market participants that are otherwise capable of satisfying any applicable co-location fees, requirements, terms and conditions established from time to time by the Exchange.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,¹² the Exchange believes that the proposed rule change will not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act because it is ministerial in nature and is not designed to have any competitive impact, but rather to update references and correct a typographical error, thereby clarifying the Price List and Fee Schedule and

alleviating any possible market participant confusion.

For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(3)¹⁴ thereunder in that the proposed rule change is concerned solely with the administration of the Exchange.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX Options Fee Schedule (the "Fee Schedule").

While changes to the Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on March 1, 2019.

The text of the proposed rule change is available on the Exchange's website at <http://www.miaxoptions.com/rule-filings>, at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fee Schedule to (i) decrease the amount of the per contract credit assessable to Agency Orders (defined below) in a cPRIME Auction ("cPRIME Agency Order Credit") for Members³ in Tier 4 of the Priority Customer Rebate Program ("PCRP")⁴ and (ii) establish an

³ The term "Member" means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

⁴ Under the PCRP, MIAX Options credits each Member the per contract amount resulting from each Priority Customer order transmitted by that Member which is executed electronically on the Exchange in all multiply-listed option classes

alternative cPRIME Agency Order Credit amount for cPRIME Agency Orders in Tier 4 of the PCRP, that will apply instead of the credit otherwise applicable to such orders, if a certain threshold is satisfied by the Member.

Exchange Rule 518(b)(7) defines a cPRIME Order as a type of complex order⁵ that is submitted for participation in a cPRIME Auction and trading of cPRIME Orders is governed by Rule 515A. Interpretations and Policies.^{12,6} cPRIME Orders are processed and executed in the Exchange's PRIME mechanism, the same mechanism that the Exchange uses to process and execute simple PRIME orders, pursuant to Exchange Rule 515A.⁷ PRIME is a process by which a Member may electronically submit for execution an order it represents as agent (an "Agency Order") against principal interest and/or solicited interest. The Member that submits the Agency Order ("Initiating Member") agrees to guarantee the execution of the Agency Order by submitting a contra-side order representing principal interest or solicited interest ("Contra-Side Order"). When the Exchange receives a properly designated Agency Order for Auction processing, a request for response ("RFR") detailing the option, side, size

See Fee Schedule, Section (1)(a)(iii).

⁵ A "complex order" is any order involving the concurrent purchase and/or sale of two or more different options in the same underlying security (the "legs" or "components" of the complex order), for the same account, in a ratio that is equal to or greater than one-to-three (.333) and less than or equal to three-to-one (3.00) and for the purposes of executing a particular investment strategy. A complex order can also be a "stock-option" order, which is an order to buy or sell a stated number of units of an underlying security coupled with the purchase or sale of options contract(s) on the opposite side of the market, subject to certain contingencies set forth in the proposed rules governing complex orders. For a complete definition of a "complex order," see Exchange Rule 518(a)(5). See also Securities Exchange Act Release No. 78620 (August 18, 2016), 81 FR 58770 (August 25, 2016) (SR-MIAX-2016-26).
