

to, natural and cultural resources and visitor use.

The duties or roles and functions of the AMWG are in an advisory capacity only. They are to: (1) Establish AMWG operating procedures, (2) advise the Secretary in meeting environmental and cultural commitments including those contained in the Record of Decision for the Glen Canyon Dam Long-Term Experimental and Management Plan Final Environmental Impact Statement and subsequent related decisions, (3) recommend resource management objectives for development and implementation of a long-term monitoring plan, and any necessary research and studies required to determine the effect of the operation of Glen Canyon Dam on the values for which Grand Canyon National Park and Glen Canyon Dam National Recreation Area were established, including but not limited to, natural and cultural resources, and visitor use, (4) review and provide input on the report identified in the Act to the Secretary, the Congress, and the Governors of the Colorado River Basin States, (5) annually review long-term monitoring data to provide advice on the status of resources and whether the Adaptive Management Program (AMP) goals and objectives are being met, and (6) review and provide input on all AMP activities undertaken to comply with applicable laws, including permitting requirements.

Membership Criteria

Prospective members of AMWG need to have a strong capacity for advising individuals in leadership positions, teamwork, project management, tracking relevant Federal government programs and policy making procedures, and networking with and representing their stakeholder group. Membership from a wide range of disciplines and professional sectors is encouraged.

Members of the AMWG are appointed by the Secretary and are comprised of:

- a. The Secretary's Designee, who serves as Chairperson for the AMWG.
- b. One representative each from the following entities: The Secretary of Energy (Western Area Power Administration), Arizona Game and Fish Department, Hopi Tribe, Hualapai Tribe, Navajo Nation, San Juan Southern Paiute Tribe, Southern Paiute Consortium, and the Pueblo of Zuni.
- c. One representative each from the Governors from the seven basin States: Arizona, California, Colorado, Nevada, New Mexico, Utah, and Wyoming.
- d. Representatives from the general public as follows: Two from environmental organizations, two from

the recreation industry, and two from contractors who purchase Federal power from Glen Canyon Powerplant.

e. One representative from each of the following Interior agencies as ex-officio non-voting members: Bureau of Reclamation, Bureau of Indian Affairs, U.S. Fish and Wildlife Service, and National Park Service.

At this time, we are particularly interested in applications from representatives of the following:

- a. One each from the basin states of Arizona and Colorado;
- b. one each from the Native American Tribes of the Southern Paiute Consortium and San Juan Southern Paiute;
- c. one from the recreation industry;
- d. two from contractors who purchase Federal power from Glen Canyon Powerplant; and
- e. one from the Arizona Game and Fish Department.

After consultation, the Secretary will appoint members to the AMWG. Members will be selected based on their individual qualifications, as well as the overall need to achieve a balanced representation of viewpoints, subject matter expertise, regional knowledge, and representation of communities of interest. AMWG member terms are limited to 3 years from their date of appointment. Following completion of their first term, an AMWG member may request consideration for reappointment to an additional term. Reappointment is not guaranteed.

Typically, AMWG will hold two in-person meetings and one webinar meeting per fiscal year. Between meetings, AMWG members are expected to participate in committee work via conference calls and email exchanges. Members of the AMWG and its subcommittees serve without pay. However, while away from their homes or regular places of business in the performance of services of the AMWG, members may be reimbursed for travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the government service, as authorized by 5 U.S.C. 5703.

Nominations should include a resume that provides an adequate description of the nominee's qualifications, particularly information that will enable Interior to evaluate the nominee's potential to meet the membership requirements of the AMWG and permit Interior to contact a potential member. Please refer to the membership criteria stated in this notice.

Any interested person or entity may nominate one or more qualified individuals for membership on the

AMWG. Nominations from the seven basin states, as identified in this notice, need to be submitted by the respective Governors of those states, or by a state representative formally designated by the Governor. Persons or entities submitting nomination packages on the behalf of others must confirm that the individual(s) is/are aware of their nomination. Nominations must be postmarked no later than June 14, 2021 and sent to Mr. Daniel Picard, Deputy Regional Director, U.S. Bureau of Reclamation, 125 S. State Street, Room 8100, Salt Lake City, UT 84138.

Authority: 5 U.S.C. Appendix 2.

Daniel Picard,

Deputy Regional Director, Alternate Designated Federal Officer, Interior Region 7: Upper Colorado Basin, Bureau of Reclamation.

SUMMARY: The LD, FBI, DOJ, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until June 28, 2021.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Robin Ruth, Quality Manager, Federal Bureau of Investigation Laboratory, (T: 703-632-7115), 2501 Investigation Parkway, Quantico, Virginia, 22135.).

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information

are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection:* Extension of a currently approved collection.
2. *The Title of the Form/Collection:* Customer Satisfaction Assessment.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form number is FD-1000. The applicable component within the DOJ is the FBI Laboratory.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Respondents primarily include federal, state, and local law enforcement. Respondents also include the intelligence community, Department of Defense, and international police agencies personnel and/or crime laboratory personnel. This collection is a brief questionnaire regarding contributors' satisfaction with the services provided by the Federal Bureau of Investigation Laboratory. This collection is needed to evaluate the quality of services provided by the FBI Laboratory. The FBI Laboratory is accredited by the ANSI National Accreditation Board (ANAB). A requirement for maintaining accreditation is to evaluate the level of service provided by the FBI Laboratory to our customers. To meet this requirement, the FBI Laboratory is requesting its customers to complete and return the *Customer Satisfaction Assessment*.
5. *An estimate of the total number of respondents and the amount of time*

estimated for an average respondent to respond: An estimated 500 respondents will complete the Customer Satisfaction Assessment survey in 2021. This estimate is based on the number of respondents in prior years of this collection. It is estimated that respondents will need 5 minutes to complete a questionnaire.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 42 hours. It is estimated that respondents will need 5 minutes to complete a questionnaire. The burden hours for collecting respondent data sum to approximately 42 hours (500 respondents × 5 minutes = 41.67 hours).
