

individuals involved in firearm violence associated with drug trafficking. After considering the effectiveness of this delegation over the course of the one-year period, the Attorney General may elect to make the delegation of authority to the ATF permanent in a subsequent rulemaking.

Administrative Procedure Act (APA)

Notice and comment rulemaking is not required for this final rule. Under the APA, “rules of agency organization, procedure or practice,” 5 U.S.C. 553(b)(A), that do not “affect[] individual rights and obligations,” *Morton v. Ruiz*, 415 U.S. 199, 232 (1974), are exempt from the general notice and comment requirements of section 553 of title 5 of the United States Code. See *JEM Broad. Co. v. FCC*, 22 F.3d 320, 326 (D.C. Cir. 1994) (section 553(b)(A) applies to “agency actions that do not themselves alter the rights or interests of parties, although [they] may alter the manner in which the parties present themselves or their viewpoints to the agency”) (quoting *Batterton v. Marshall*, 648 F.2d 694, 707 (D.C. Cir. 1980) (internal quotation marks omitted)). The revisions to the regulations in 28 CFR part 0 are purely a matter of agency organization, procedure, and practice that will not affect individual rights and obligations. This rule does not expand the government’s ability as a matter of law to effectuate forfeitures; it simply authorizes the Director of ATF to effectuate such forfeitures. Internal delegations of authority such as in this final rule are “rules of agency organization, procedure, or practice under the APA”.

Regulatory Flexibility Act

The Attorney General, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 605(b), has reviewed this rule and, by approving it, certifies that it will not have a significant economic impact on a substantial number of small entities because it pertains to personnel and administrative matters affecting the Department. Further, a Regulatory Flexibility Analysis is not required for this final rule because the Department was not required to publish a general notice of proposed rulemaking for this matter.

Executive Order 12866 and Executive Order 13563

This rule has been drafted and reviewed in accordance with Executive Order 12866, “Regulatory Planning and Review,” section 1(b), Principles of Regulation, and with Executive Order 13563, “Improving Regulation and

Regulatory Review.” This rule is limited to agency organization, management, or personnel matters as described by Executive Order 12866, section 3(d)(3) and, therefore, is not a “regulation” or “rule” as defined by that Executive Order.

Executive Order 12988

This regulation meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988, “Civil Justice Reform.”

Executive Order 13132

This rule will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, “Federalism,” the Department has determined that this rule does not have sufficient federalism implications to warrant the preparation of a federalism summary impact statement.

Unfunded Mandates Reform Act of 1995

This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions are necessary under the provisions of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1501 *et seq.*

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 251 of the Small Business Regulatory Enforcement Fairness Act of 1996 (SBREFA), 5 U.S.C. 804. This rule will not result in an annual effect on the economy of \$100 million or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets.

Congressional Review Act

This action pertains to agency management, personnel, and organization and does not substantially affect the rights or obligations of non-agency parties. Accordingly, it is not a rule for purposes of the reporting requirement of 5 U.S.C. 801.

33 CFR Part 117

[Docket No. USCG–2012–0794]

Drawbridge Operation Regulation; Cape Fear River, Wilmington, NC

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Fifth Coast Guard District, has issued a temporary

deviation from the regulation governing the operation of the Cape Fear River Memorial Bridge, at mile 26.8, over Cape Fear River, at Wilmington, NC. The deviation restricts the operation of the draw span to facilitate the structural repairs of the bridge.

DATES: This deviation is effective from 8 p.m. on September 26, 2012 until 5:30 a.m. on October 15, 2012.

ADDRESSES: Documents mentioned in this preamble as being available in the docket USCG–2012–0794 and are available online by going to <http://www.regulations.gov>, inserting USCG–2012–0794 in the “Keywords” box, and then clicking “Search”. This material is also available for inspection or copying the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Mr. Bill H. Brazier, Bridge Management Specialist, Fifth Coast Guard District, telephone (757) 398–6422, email Bill.H.Brazier@uscg.mil. If you have questions on reviewing the docket, call Renee V. Wright, Program Manager, Docket Operations, 202–366–9826.

SUPPLEMENTARY INFORMATION: The North Carolina Department of Transportation, who owns and operates this vertical lift bridge, has requested a temporary deviation to facilitate cable replacement on the structure.

Under the regular operating schedule, the bridge opens on signal as required by 33 CFR 117.5, except that under 33 CFR 117.822, the draw need not open for the passage of vessels from 8 a.m. to 10 a.m. on the second Saturday of July and from 7 a.m. to 11 a.m. on the first or second Sunday of November every year.

The Cape Fear River Memorial Bridge, at mile 26.8, at Wilmington, NC, has vertical clearances in the open and closed positions of 135 feet and 65 feet above mean high water, respectively.

Under this temporary deviation, the drawbridge will be closed to navigation beginning at 8 p.m. on September 26, 2012 until and including 5:30 a.m. on October 1, 2012, and again from 8 p.m. on October 10, 2012 until and including 5:30 a.m. on October 15, 2012. There are no alternate routes for vessels transiting this section of the Cape Fear River. The drawbridge will be unable to open in the event of an emergency.

Typical vessel traffic on the Cape Fear River includes a variety of vessels from

freighters, tug and barge traffic, and recreational vessels. Vessels that can pass under the bridge without a bridge opening may continue to do so at anytime.

The Coast Guard has carefully coordinated the restrictions with commercial and recreational waterway users. The Coast Guard will inform all users of the waterway through our Local and Broadcast Notice to Mariners of the closure periods for the bridge so that vessels can arrange their transits to minimize any impacts caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 14, 2012.

Waverly W. Gregory, Jr.,

Bridge Program Manager, Fifth Coast Guard District.
