DATES: Interested persons are invited to submit comments on or before April 14, 2008.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues:

(1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Abstract: In the previous clearance of the 1890-0017 collection in 2004, the U.S. Department of Education (ED) cleared the Application for Federal Education Assistance or ED 424 under this collection number. Since that time, ED has discontinued use of the ED 424 Form and has begun using the SF-424, Application for Federal Assistance, together with the U.S. Department of Education Supplemental Information for the SF-424 form. ED made a policy decision to switch to the SF-424 in keeping with Federal-wide forms standardization and streamlining efforts, especially with widespread agency use of Grants.gov. There were several data elements/questions on the ED 424 that were required for ED applicants that were not included on the SF-424. Therefore, ED put these questions that were already cleared as part of the 1890-0017 collection on a form entitled the U.S. Department of Education Supplemental Information for the SF-424.

The forms in the SF-424 forms family (e.g., the SF-424 Core Form, SF-424M and SF-424R&R) have already been cleared for use by Federal agencies to collect certain identifying information and other data from grant applicants. In this renewal for the collection package for 1890-0017, ED is requesting clearance only for the U.S. Department of Education Supplemental Information for the SF-424 form. The questions on this form deal with the following areas: Project Director identifying and contact information; Novice Applicants; and Human Subjects Research. The ED supplemental information form could be used with any of the SF-424 forms in the SF-424 forms family, as applicable.
