SUPPLEMENTARY INFORMATION:

I. Abstract

The AS-IA is considering realigning the DWD, now located in IEED, to the BIA, under the Office of the Deputy Director—Indian Services, to improve management efficiencies and strengthen the Public Law 102-477 demonstration project.

In 2005, DWD was realigned from the Office of Tribal Services (now the Office of the Deputy Director—Indian Services), BIA to the Office of Self-Governance. On August 29, 2006, it was realigned again, into IEED. The purpose of the action under consideration is to return DWD to the Office of the Deputy Director—Indian Services. This realignment will not result in any loss of funding or staff positions for DWD nor will it alter in any respect its responsibility to:

- Administer the Public Law 102-477 demonstration project under the Indian Employment, Training, and Related Services Demonstration Act of 1992, as amended, 25 U.S.C. 3401 *et seq.*

- Administer the Job Placement and Training Program under 25 CFR part 26

- Gather and publish population and employment data for the congressionally-mandated Labor Force Report pursuant to 25 U.S.C. 3416.
