

a six-month advance notice in the **Federal Register** whenever new recreation fee areas are established.

The Caribou-Targhee National Forest currently has 11 other cabin rentals. These rentals are often fully booked throughout their rental season. A business analysis of Driggs Cabin has shown that people desire having this sort of developed recreation experience on the Caribou-Targhee National Forest. A market analysis indicates that the \$100.00 per night fee is both reasonable and acceptable for this sort of recreation experience.

People wanting to rent Driggs Cabin will need to do so through the National Recreation Reservation Service, at <http://www.reserveusa.com> or by calling 1-877-444-6777. The National Recreation Reservation Service charges a fee for reservations.

Forest Service

Notice of Proposed New Fee Sites; Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447)

AGENCY: Superior National Forest, USDA Forest Service.

ACTION: Notice of Proposed New Fee Sites.

SUMMARY: The Superior National Forest is planning to charge fees at fifteen camping areas. Fees are assessed based on the level of amenities and services

provided, cost of operation and maintenance, market assessment, and public comment. The fees listed are only proposed and will be determined upon further analysis and public comment. Funds from fees would be used for the continued operation and maintenance of these recreation sites.

The following fifteen camping areas (all currently free use sites) are being proposed as fee sites: Baker Lake, Toohey Lake, Fourmile Lake, Hogback Lake, Kawishiwi Lake, Section 29 Lake, Silver Island Lake, White Pine Lake, Wilson Lake, Poplar River, Whitefish Lake, Harriet, Clara Lake, Cascade River and Eighteen Lake. These camping areas have many of the same amenities offered at the more developed campgrounds on the Superior National Forest and will be priced in accordance to the amenities provided at that site. A financial analysis is being completed to determine fee rates. The proposed fee to help maintain this site would be approximately \$8 per campsite per night, and \$4.00 per one additional vehicle per campsite. The fee season for these camping areas would start in early to mid May coinciding with the fishing season opener and would continue to the end of the field season in late September.

DATES: New fees would be implemented May 2009.

Order Making Temporary Denial of Export Privileges Applicable to Related Persons

Pursuant to Section 766.23 of the Export Administration Regulations ("EAR" or "Regulations"), the Bureau of Industry and Security ("BIS"), U.S.

Department of Commerce, through its Office of Export Enforcement ("OEE"), has requested that I make the Temporary Denial Order ("TDO") that was issued against the above-named Respondents on March 17, 2008, and published in the **Federal Register** on March 21, 2008 (73 Fed.Reg. 15130), applicable to the following entities, as persons related to Respondent Blue Airways, of Yerevan, Armenia (hereinafter "Blue Airways of Armenia"):

Blue Airways FZE, a/k/a Blue Airways, #G22 Dubai Airport Free Zone, P.O. Box 393754 DAFZA, Dubai, United Arab Emirates, (hereinafter "Blue Airways FZE UAE");

Blue Airways, Riqa Road, Dubai 52404, United Arab Emirates, (hereinafter "Blue Airways UAE").

Section 766.23 of the Regulations provides that "[i]n order to prevent evasion, certain types of orders under this part may be made applicable not only to the respondent, but also to other persons then or thereafter related to the respondent by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business. Orders that may be made applicable to related persons include those that deny or affect export privileges, including temporary denial orders. * * *" 15 CFR 766.23(a).

The TDO was issued based on a showing, *inter alia*, that the Respondents knowingly engaged in conduct prohibited by the EAR by re-exporting three U.S. origin aircraft to Iran and were attempting to divert an additional three U.S. origin aircraft to Iran.

The TDO imposed is an order that may be made applicable to related persons pursuant to Section 766.23 upon evidence indicating that the person is related to one or more of the Respondents by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business, and that it is necessary to add this entity to the Order imposed against Respondents in order to avoid evasion of that Order.

BIS has presented evidence that Blue Airways FZE UAE and Blue Airways UAE, are related to Respondent Blue Airways of Armenia by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business. Pursuant to Section 766.23, related persons may be added to this TDO upon a finding by me, as the official authorized to issue such orders, that the TDO should be made applicable to the related persons

in order to prevent evasion of the TDO. 15 CFR 766.23(b).

BIS notified Blue Airways FZE UAE and Blue Airways UAE of its intent to take this action through letters dated June 4, 2008, in accordance with Sections 766.5(b) and 766.23 of the Regulations. BIS received a response dated June 17, 2008, asserting that Blue Airways FZE UAE and Blue Airways UAE are not owned or controlled by Blue Airways of Armenia. No supporting documentation or other evidence was provided to BIS, nor did the response deny any affiliation, position of responsibility or other connection in the conduct of trade or business with Blue Airways of Armenia.

It is my belief based on all the evidence presented in this matter that Blue Airways FZE UAE and Blue Airways UAE meet the requirements of Section 766.23 of the Regulations. Accordingly, I find that it is necessary to make the Order imposed against the above named Respondents applicable to Blue Airways FZE UAE and Blue Airways UAE in order to prevent the evasion of that Order.

It is now therefore ordered,

First, that having been provided notice and opportunity for comment as provided in Section 766.23 of the Regulations, Blue Airways FZE, a/k/a Blue Airways, #G22 Dubai Airport Free Zone, P.O. Box 393754 DAFZA, Dubai, United Arab Emirates, and Blue Airways, Riqa Road, Dubai 52404, United Arab Emirates (each a "Related Person" and collectively the "Related Persons"), have been determined to be related to Respondent Blue Airways, 8/3 D Angaght Street, 376009, Yerevan, Armenia, by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services, and it has been deemed necessary to make the Order temporarily denying the export privileges of the Respondents applicable to these Related Persons in order to prevent evasion of the Order.

Second, that the denial of export privileges described in the Order against Respondents, which was published in the **Federal Register** on March 21, 2008, at 73 FR 15130, shall be made applicable to each Related Person, as follows:

I. The Related Person, its successors or assigns, and when acting for or on behalf of the Related Person, its officers, representatives, agents, or employees (collectively, "Denied Person") may not participate, directly or indirectly, in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as "item") exported or to be exported from
