### Bureau of Alcohol, Tobacco, Firearms, and Explosives

[OMB Number 1140-0020]

### Agency Information Collection Activities; Proposed Collection: Emergency Request for Approval of Collection of Information Under Review Firearms Transaction Record, Part 1, Over-the-Counter

**ACTION:** Emergency 60-day notice.

The Department of Justice, Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the emergency review procedures of the Paperwork Reduction Act of 1995 ("the Act"). OMB approval will be requested by January 10, 2012. If granted, the emergency approval will only be valid for 180 days.

Emergency review is being requested in accordance with the Act (44 U.S.C. 3507(j)), because if normal clearance procedures are followed, significant public confusion is reasonably likely to result. The Department believes that in the absence of emergency clearance, there will be widespread confusion among Federal firearms licensees, as well as among aliens lawfully present in the United States who wish to purchase a firearm, about a process that if not performed correctly can result in the imposition of civil or criminal sanctions. This public harm can be avoided by emergency review. See 44 U.S.C. 3507(j)(1)(B)(i). The Department is making conforming changes to the information collection instrument (ATF Form 4473, Firearms Transaction Record Part I—Over-the-Counter) so that the information collected is consistent with the requirements of law. The Department has recently concluded that two existing applications of the Gun Control Act (GCA) by ATF impose restrictions upon the lawful receipt and possession of firearms by aliens present in the United States that are not supported by the GCA. In particular, ATF regulations that extend the reach of 18 U.S.C. 922(g)(5)(B) to prohibit the possession of firearms by all nonimmigrant aliens (unless they qualify for one of the exceptions contained in 18 U.S.C. 922(y)(2)) are unwarranted in existing law, and may only extend to nonimmigrant aliens who have been admitted to the United States under a nonimmigrant visa. Moreover, the Department has also concluded that
