SUPPLEMENTARY INFORMATION: On June 15, 1984, OMB delegated to the Board authority under the Paperwork Reduction Act (PRA) to approve and assign OMB control numbers to collections of information conducted or sponsored by the Board. In exercising this delegated authority, the Board is directed to take every reasonable step to solicit comment. In determining whether to approve a collection of information, the Board will consider all comments received from the public and other agencies.

During the comment period for this proposal, a copy of the proposed PRA OMB submission, including the draft reporting form and instructions, supporting statement (which contains more detail about the information collection and burden estimates than this notice), and other documentation, will be made available on the Board's public website at <https://www.federalreserve.gov/apps/reportingforms/home/review> or may be requested from the agency clearance officer, whose name appears above. Final versions of these documents will be made available at

<https://www.reginfo.gov/public/do/PRAMain>, if approved.

Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collection, which is being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

- a. Whether the proposed collection of information is necessary for the proper performance of the Board's functions, including whether the information has practical utility;

- b. The accuracy of the Board's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

- c. Ways to enhance the quality, utility, and clarity of the information to be collected;

- d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

- e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Senior Loan Officer Opinion Survey on Bank Lending Practices.

Collection identifier: FR 2018.

OMB control number: 7100–0058.

General description of collection: A senior loan officer at each respondent bank completes this voluntary survey through an electronic submission up to six times a year. Senior staff at the Reserve Banks with knowledge of bank lending practices serve as the main contacts for the survey respondents in their district and help administer the survey. The current reporting panel consists of up to 80 large domestically chartered commercial banks and up to 24 large U.S. branches and agencies of foreign banks. The purpose of the survey is to provide qualitative and limited quantitative information on credit availability and demand, as well as on evolving developments and lending practices in the U.S. loan markets. A portion of each survey

e. Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Quarterly Report of Interest Rates on Selected Direct Consumer Installment Loans and the Quarterly Report of Credit Card Plans.

Collection identifier: FR 2835 and FR 2835a.

OMB control number: 7100-0085.

General description of collection: The FR 2835 collects information on interest rates on loans for new vehicles and loans for other consumer goods and personal expenses from a sample of commercial banks. The FR 2835a collects information on interest rates, finance charges, and loan balances for credit card accounts from a sample of commercial banks. The data from these reports help the Board analyze current household financial conditions and the implications of these conditions for household spending and, as such, these data provide valuable input to the monetary policymaking process.
