* For ease of understanding, burden hours per response are also provided in minutes.

There are no direct costs to respondents other than their time to voluntarily complete the forms and submit them for consideration. The estimated cost for the Federal Government is \$145,223.00 (contractor) to work on the program with IHS program staff.

There are no capital costs, operating costs and/or maintenance costs to respondents.

Requests for Comments: Your written comments and/or suggestions are invited on one or more of the following points:

(a) Whether the information collection activity is necessary to carry out an agency function;

(b) Whether the agency processes the information collected in a useful and timely fashion;

(c) The accuracy of the public burden estimate (the estimated amount of time needed for individual respondents to provide the requested information);

(d) Whether the methodology and assumptions used to determine the estimates are logical;

(e) Ways to enhance the quality, utility, and clarity of the information being collected; and

(f) Ways to minimize the public burden through the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
