

of the period of review covered by the on-going fourth administrative review.

On May 23, 2003, the Department published a notice of initiation of a changed circumstances review with the intent to revoke the AD order on fresh Atlantic salmon from Chile. In the Initiation Notice, we indicated that interested parties could submit comments for consideration in the Department's preliminary results no later than 20 days after publication of the initiation of the review, and submit rebuttal to those comments no later than 10 days following the submission of comments. We did not receive any comments.

Scope of the Order

The product covered by this order is fresh, farmed Atlantic salmon, whether imported "dressed" or cut. Atlantic salmon is the species *Salmo salar*, in the genus *Salmo* of the family *salmoninae*. "Dressed" Atlantic salmon refers to salmon that has been bled, gutted, and cleaned. Dressed Atlantic salmon may be imported with the head on or off; with the tail on or off; and with the gills in or out. All cuts of fresh Atlantic salmon are included in the scope of the order. Examples of cuts include, but are not limited to: crosswise cuts (steaks), lengthwise cuts (fillets), lengthwise cuts attached by skin (butterfly cuts), combinations of crosswise and lengthwise cuts (combination packages), and Atlantic salmon that is minced, shredded, or ground. Cuts may be subjected to various degrees of trimming, and imported with the skin on or off and with the "pin bones" in or out.

Excluded from the scope are (1) fresh Atlantic salmon that is "not farmed" (i.e., wild Atlantic salmon); (2) live Atlantic salmon; and (3) Atlantic salmon that has been subject to further processing, such as frozen, canned, dried, and smoked Atlantic salmon, or processed into forms such as sausages, hot dogs, and burgers.

The merchandise subject to this order is classifiable as item numbers 0302.12.0003 and 0304.10.4093 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS statistical reporting numbers are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Preliminary Results of Review and Intent to Revoke the AD Order

Pursuant to sections 751(d)(1) and 782(h)(2) of the Tariff Act of 1930, as amended (the Act), the Department may revoke an antidumping or countervailing duty order, in whole or

in part, based on a review under section 751(b) of the Act (i.e., a changed circumstances review). Section 751(b)(1) of the Act requires a changed circumstances review to be conducted upon receipt of a request which shows changed circumstances sufficient to warrant review of a final affirmative antidumping determination. The Department's regulations at 19 CFR 351.222(g)(2) provide that the Department will conduct a changed circumstances review under 19 CFR 351.216 if the Secretary concludes from the available information that changed circumstances sufficient to warrant revocation or termination may exist. The Department may revoke an order (in whole or in part), if the Secretary determines that: (i) producers accounting for substantially all of the production of the domestic like product to which the order (or the part of the order to be revoked) pertains have expressed a lack of interest in the relief provided by the order, in whole or in part, or (ii) if other changed circumstances sufficient to warrant revocation exist. 19 CFR 351.222(g)(i); *See also Certain Tin Mill Products From Japan: Final Results of Changed Circumstances Review*, 66 FR 52109 (October 12, 2001) and 19 CFR 351.208(c). According to the record of this case, the following are U.S. producers of fresh Atlantic salmon: L.R. Enterprises, Heritage Salmon Inc., Maine Nordic Salmon, Stolt Sea Farms Inc., Cypress Island Inc., Atlantic Salmon of Maine, and Trumpet Island Salmon Farm Inc. Based upon the statement of no interest by the U.S. producers referenced above and the fact that the Department did not receive any comments during the comment period, the Department is preliminarily revoking the order on fresh Atlantic salmon from Chile for all entries that were entered, or withdrawn from warehouse, on or after July 1, 2001, the first day after the last completed review in this proceeding.

In addition, if final revocation of the order occurs, we intend to instruct the U.S. Bureau of Customs and Border Protection (BCBP) to discontinue the suspension of liquidation and to refund any estimated antidumping duties collected for all unliquidated entries of fresh Atlantic salmon from Chile entered, or withdrawn from warehouse, for consumption on or after July 1, 2001. We will also instruct the BCBP to pay interest on any refunds with respect to the subject merchandise entered, or withdrawn from warehouse, for consumption on or after July 1, 2001, in accordance with section 778 of the Act.

The current requirement for a cash deposit of estimated antidumping duties will continue until publication of the final results of this changed circumstances review or other administrative review. We also note that if these preliminary results become final, we intend to rescind the current antidumping duty administrative review covering the period July 1, 2001, through June 30, 2002.

Interested parties wishing to comment on these results may submit briefs to the Department no later than 10 days after the publication of this notice in the **Federal Register**. Parties will have five days subsequent to this due date to submit rebuttal comments, limited to the issues raised in those comments. Parties who submit comments or rebuttal comments in this proceeding are requested to submit with the argument (1) a statement of the issue and (2) a brief summary of the argument (no longer than five pages, including footnotes). All written comments must be submitted in accordance with 19 CFR 351.303 and must be served on all interested parties on the Department's service list. Any requests for a hearing must be filed within 10 days of the publication of this notice in the **Federal Register**.

The Department will issue its final results of this review in accordance with 19 CFR 351.216(e), and will publish these results in the **Federal Register**.

This notice is in accordance with sections 751(b)(1) and 777(i)(1) of the Act and 19 CFR 351.216, 351.221(b), and 351.222(g)(3)(I).

Dated: June 26, 2003.

Joseph A. Spetrini,
Acting Assistant Secretary for Import Administration.
