² BNSF believes that a 2003 industry track agreement between BNSF and PCPA authorized BNSF to provide common and contract carrier operations over the 4.9-mile line that did not require prior Board approval. In *Rail Switching Services, Inc.—Operation Exemption—Pemisnot County Port Authority*, FD 35685 *et al.* (STB served Jan. 8, 2013), the Board advised BNSF to seek promptly any needed Board authority for its operations over the line to be in compliance with the Board's statute. BNSF states that, out of an abundance of caution and in light of the concerns expressed by the Board, it is filing this notice to acquire the trackage rights.
