Authority and Issuance

For the reasons set forth in the preamble, the Bureau amends 12 CFR part 1090, subpart B, as follows:

PART 1090—DEFINING LARGER PARTICIPANTS OF CERTAIN CONSUMER FINANCIAL PRODUCT AND SERVICE MARKETS

■ 1. The authority citation for part 1090 continues to read as follows:

Authority: 12 U.S.C. 5514(a)(1)(B); 12 U.S.C. 5514(a)(2); 12 U.S.C. 5514(b)(7)(A); and 12 U.S.C. 5512(b)(1).

■ 2. Add § 1090.107 to subpart B to read as follows:

§ 1090.107 International Money Transfer Market.

(a) *Market-related definitions.* As used in this subpart:

Aggregate annual international money transfers means the sum of the annual international money transfers of a nonbank covered person and the annual international money transfers of each of the nonbank covered person's affiliated companies.

(i) *Annual international money transfers.* Annual international money transfers of a nonbank covered person means the international money transfers provided by the nonbank covered person during the preceding calendar year.

(ii) *Agents.* (A) Annual international money transfers of a nonbank covered person include international money transfers in which another person acts as an agent on behalf of the nonbank covered person.

(B) Annual international money transfers of a nonbank covered person do not include international money transfers in which another person provided the international money transfers and the nonbank covered person performed activities as an agent on behalf of that other person.

(C) For purposes of this paragraph (ii), agent means an agent or authorized delegate, as defined under State or other

applicable law, or affiliated company of a person that provides international money transfers when such agent, authorized delegate, or affiliated company acts for that person.

(iii) *Aggregating the annual international money transfers of affiliated companies.* (A) The annual international money transfers of each affiliated company of a nonbank covered person are calculated separately in accordance with paragraphs (i) and (ii) of this definition, treating the affiliated company as if it were an independent nonbank covered person for purposes of the calculation.

(B) The annual international money transfers of a nonbank covered person must be aggregated with the annual international money transfers of any person that was an affiliated company of the nonbank covered person at any time during the preceding calendar year. The annual international money transfers of the nonbank covered person and its affiliated companies are aggregated for the entire preceding calendar year, even if the affiliation did not exist for the entire calendar year.

Designated recipient means any person specified by the sender as the authorized recipient of an international money transfer to be received at a location in a foreign country.

International money transfer means the electronic transfer of funds requested by a sender to a designated recipient that is sent by an international money transfer provider. The term applies regardless of whether the sender holds an account with the international money transfer provider, and regardless of whether the transaction is also an electronic fund transfer, as defined in § 1005.3(b) of this chapter. The term does not include any transfer that is excluded from the definition of "electronic fund transfer" under § 1005.3(c)(4) of this chapter.

International money transfer provider means any nonbank covered person that provides international money transfers for a consumer, regardless of whether the consumer holds an account with such person.

Sender means a consumer in a State who primarily for personal, family, or household purposes requests an international money transfer provider to send an international money transfer to a designated recipient.

State means any State, territory, or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico; or any political subdivision thereof.

(b) *Test to define larger participants.* A nonbank covered person is a larger participant of the international money

transfer market if the nonbank covered person has at least one million aggregate annual international money transfers.

SUPPLEMENTARY INFORMATION:

History

On May 27, 2014, the FAA published in the **Federal Register** a notice of proposed rulemaking (NPRM) to modify Class D airspace at McConnell AFB, Wichita, KS, (79 FR 30054) Docket No. FAA-2014-0294. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received. Class D airspace designations are published in paragraph 5000 of FAA Order 7400.9Y dated August 6, 2014, and effective September 15, 2014, which is incorporated by reference in 14 CFR.

The Rule

This action amends Title 14 Code of Federal Regulations (14 CFR) Part 71 by amending Class D airspace by removing the segment of controlled airspace once reserved for use at Derby, Hamilton Field, and reverting the airspace to McConnell AFB, Wichita, KS. This action is needed for the safety and management of IFR operations at the airport due to the closure of Derby, Hamilton Field. Except for editorial changes, this rule is the same as published in the NPRM.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this regulation: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the U.S. Code. Subtitle 1, Section 106, describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with

prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends controlled airspace at McConnell AFB, Wichita, KS.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures,” paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.
