Abstract: Section 18004(a)(1) of the CARES Act, Public Law 116–136 (March 27, 2020), authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher education (IHEs). Section 18004(c) of the CARES Act allows the IHEs to use up to one-half of the total funds received to cover any costs associated with the significant changes to the delivery of instruction due to the coronavirus (with specific exceptions). This information collection request includes the certification and agreement that must be submitted by an IHE in order to request institutional aid funds allocated under the CARES Act.

This information collection request was previously approved as an emergency clearance in order to comply with the requirements of the CARES Act and expedite the release of funds to IHEs and students with pressing financial needs due to the pandemic. The Department of Education is now requesting an extension of that emergency clearance under normal clearance procedures.

OMB Control Number: 1845–0059.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 8,700.

Abstract: The Teacher Loan Forgiveness (TLF) Application serves as the means by which an eligible Direct Loan or FFEL program borrower who has completed five consecutive years of qualifying teaching service applies for forgiveness of up to \$5,000 or up to \$17,500 of his or her eligible loans. Eligible special education teachers and secondary school math or science teachers may receive a maximum of \$17,500 in loan forgiveness. Other teachers may receive a maximum of \$5,000 in loan forgiveness. Borrowers who are working toward loan forgiveness may use the TLF Forbearance Request to request a forbearance during some or all of their required five consecutive years of teaching service. A prospective TLF applicant may receive a forbearance during some or all of the five-year teaching period only if the projected balance on the borrower's eligible loans at the end of the five-year period (if the borrower made monthly loan payments during that period) would be less than the maximum forgiveness amount for which the borrower qualifies.
