

www.fta.dot.gov/emergencyrelief. The supplemental form provides guidance and a consistent format for applicants to respond to the information required as outlined in this notice. Once completed, the supplemental form must be placed in the attachments section of the SF 424 Mandatory form.

Applicants must attach the Hurricane Sandy-specific supplemental form to their submission in *GRANTS.GOV* to successfully complete the application process. A proposal submission may contain additional supporting documentation as attachments. Within 24–48 hours after submitting an electronic application, the applicant should receive three email messages from *GRANTS.GOV*: (1) Confirmation of successful transmission to *GRANTS.GOV*, (2) confirmation of successful validation by *GRANTS.GOV* and (3) confirmation of successful validation by FTA. If an applicant does not receive confirmations of successful validation and receives a notice of failed validation or incomplete materials, the applicant must address the reason for the failed validation, as described in the notice, and resubmit before the submission deadline. If making a resubmission for any reason, include all original attachments regardless of which attachments were updated. Complete instructions on the application process can be found on FTA's Web site at <http://www.fta.dot.gov/emergencyrelief>. FTA urges applicants to submit their applications at least 72 hours prior to the due date to allow time to receive the validation message and to correct any problems that may have caused a rejection notification. *GRANTS.GOV* scheduled maintenance and outage times are announced on the *GRANTS.GOV* Web site <http://www.GRANTS.GOV>. Deadlines will not be extended due to scheduled maintenance or outages.

B. Proposal Content

Applicants may submit one proposal which can include multiple projects. Additional projects may be added within the Hurricane Sandy-specific supplemental form by clicking the “add project” button in Section II of the supplemental form.

Information such as applicant name, Federal amount requested, non-Federal match amount, description of areas served, etc. may be requested in varying degrees of detail on both the SF 424 form and supplemental form. All fields are required unless stated otherwise on the forms. Use both the “Check Package for Errors” and the “Validate Form” validation buttons on both forms to check all required fields on the forms.

Ensure that the Federal and non-Federal amounts specified are consistent.

IV. Award Administration

Once FTA allocates Emergency Relief funds to a recipient, the recipient will be required to submit a grant application electronically via FTA's Transportation Electronic Award Management system (TEAM). Recipients should work with their FTA Regional Office to develop and submit their application in TEAM so that funds can be obligated expeditiously. Grant applications in TEAM may only include eligible activities under the Emergency Relief program. Upon award, payments to recipients will be made by electronic transfer to the recipient's financial institution through FTA's Electronic Clearing House Operation (ECHO) system.

Post-award reporting requirements include submission of the Federal Financial Report and Milestone reports in TEAM consistent with FTA's grants management Circular 5010.1D, as well as any other reporting requirements FTA determines are necessary.

Dated: Issued in Washington, DC, this 1st day of February 2013.
