

specific, per-unit assessment rate on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales to the total quantity of those sales.<sup>16</sup> To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. Where either a respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we intend to instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>17</sup>

For entries of subject merchandise during the POR produced by each individually examined respondent for which it did not know its merchandise was destined for the United States, we intend to instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>18</sup>

For the companies which were not selected for individual examination, we intend to assign an antidumping duty assessment rate equal to the weighted-average dumping margin determined for the non-examined companies in the final results of review.

For the companies for which we have rescinded this review, Commerce intends to instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period May 1, 2020, through April 30, 2021, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP for the rescinded companies no earlier than 35 days after the date of publication of the preliminary results of this administrative review in the **Federal Register**.

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future cash deposits of estimated antidumping duties, where applicable.<sup>19</sup>

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not covered in this review, including the six companies for which Commerce is rescinding this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior completed review, or the less-than-fair value (LTFV) investigation, but the producer is, then the cash deposit rate will be the company-specific rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 7.08 percent, the all-others rate established in the LTFV investigation.<sup>20</sup>

These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Final Results of the Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the

subsequent assessment of doubled antidumping duties.

### Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: May 27, 2022.
