

Department was granted emergency OMB approval pursuant to 5 CFR 1320.13 in order for the DS-5540 to be used by consular officers beginning 12:01 a.m. Eastern Standard Time February 24, 2020. It was not possible to complete 30 days of public comment before February 24, 2020. This information collection is intended to align the Department's standards with those of DHS, to avoid situations where a consular officer will evaluate a visa applicant's circumstances and conclude that the visa applicant is not likely at any time to become a public charge, only for a DHS officer to evaluate the same individual when he or she seeks admission to the United States on the visa and finds the individual inadmissible on public charge grounds under the same facts.

3. Methodology

The DS-5540 will be available online in fillable PDF format. Visa applicants will download the completed form and submit the completed DS-5540 to the consular officer, or to the Department with other documentation in advance of the interview.

Carl C. Risch,

Assistant Secretary.

BILLING CODE 4710-06-P

SURFACE TRANSPORTATION BOARD

[Docket No. AB 1296X]; [Docket No. AB 875 (Sub-No. 1X)]

R.J. Corman Railroad Property, LLC—Abandonment Exemption—in Scott, Campbell, and Anderson Counties, Tenn.; R.J. Corman Railroad Company/Bardstown Line—Discontinuance Exemption—in Scott, Campbell, and Anderson Counties, Tenn.

R.J. Corman Railroad Property, LLC (RJC Railroad Property) and R.J. Corman Railroad Company/Bardstown Line (RJCRL) (collectively, applicants) have jointly filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* for RJC Railroad Property to abandon, and for RJCRL to discontinue service over, a railroad line extending from milepost 0.95 at or near Oneida, Tenn., to the end of the line at milepost 42.0 at or near Devonia, Tenn., a distance of approximately 41.05 miles in Scott, Campbell, and Anderson Counties, Tenn. (the Line). The Line traverses U.S. Postal Service Zip Codes 37841, 37755, 37847, 37756, 37714, and 37710.

Applicants have certified that: (1) No local traffic has moved over the Line for at least two years; (2) there is and can be no overhead traffic on the Line that would have to be rerouted over other lines, as the Line is stub-ended; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7 and 1105.8 (environmental and historic report), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment or discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,¹ these exemptions will be effective on April 8, 2020, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2), and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by March 19, 2020.³ Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by March 30, 2020, with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to applicants'

¹ Persons interested in submitting an OFA must first file a formal expression of intent to file an offer, indicating the type of financial assistance they wish to provide (*i.e.*, subsidy or purchase) and demonstrating that they are preliminarily financially responsible. See 49 CFR 1152.27(c)(2)(i).

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemptions' effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request to stay should be filed as soon as possible so that the Board may take appropriate action before the exemptions' effective date.

³ Filing fees for OFAs and trail use requests can be found at 49 CFR 1002.2(f)(25) and (27), respectively.

representative, David R. Irvin, Irvin Rigsby PLC, 110 N. Main St., Nicholasville, KY 40356.

If the verified notice contains false or misleading information, the exemptions are void ab initio.

Applicants have filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment and discontinuance on the environment and historic resources. OEA will issue an environmental assessment (EA) by March 13, 2020. The EA will be available to interested persons on the Board's website, by writing to OEA, or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Relay Service at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or interim trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), RJC Rail Property shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by RJC Rail Property's filing of a notice of consummation by March 9, 2021, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available at www.stb.gov.

Decided: March 4, 2020.

By the Board, Allison C. Davis, Director, Office of Proceedings.

Kenyatta Clay,
Clearance Clerk.
