POSTAL SERVICE

39 CFR Part 111

Balloting Materials Postage

AGENCY: Postal Service™.

ACTION: Proposed rule.

SUMMARY: The Postal Service proposes to revise *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®) 703.8.0 to require all ballot types to indicate that the proper amount of postage must be paid and to require balloting materials indicate the amount of postage for the return of ballots, unless mailed under the special exemption for military or overseas voting or returned under Business Reply Mail® service.

DATES: We must receive your comments on or before June 3, 2013.

ADDRESSES: Mail or deliver written comments to the manager, Product Classification, U.S. Postal Service, 475 L'Enfant Plaza SW., Room 4446, Washington DC 20260-5015. You may inspect and photocopy all written comments at USPS® Headquarters Library, 475 L'Enfant Plaza SW., 11th Floor N, Washington DC, between 9 a.m. and 4 p.m., Monday through Friday. Email comments concerning the proposed rule, containing the name and address of the commenter, may be sent to: *ProductClassification@usps.gov*, with a subject line of "Balloting Materials Postage." Faxed comments are not accepted.

FOR FURTHER INFORMATION CONTACT: Steven Monteith at (202) 268-6983, or Garry Rodriguez at 202-268-7281.

SUPPLEMENTARY INFORMATION: With the growth of no excuse absentee voting, and the spread of vote-by-mail efforts throughout the country, the United States Postal Service® has noted an increase in ballots mailed back to Election Officials with insufficient postage. Each election cycle presents a different set of parameters for ballot creation and for the size and weight of the mail piece. As a result, we believe that many voters may not be adequately informed of the sufficient amount of postage required to return a ballot by mail.

To rectify this problem, the Postal Service is proposing that the balloting

materials for all types of ballots whether disseminated hardcopy or electronically not qualified under the special exemption for military and overseas voting or returned under Business Reply Mail service must indicate in a prominent location the proper amount of First-Class Mail® postage that must be paid. This information must be included in the ballot materials (i.e., on the ballot, ballot instructions, mailing instructions, or the envelope) with the marking "Sufficient First-Class Mail postage must be applied." Alternatively, the marking "Apply sufficient First-Class Mail postage here" could be printed in the upper right corner of the address side of the envelope used by the voter to return the ballot to election officials.

Additionally, the Postal Service is proposing that the balloting material indicate in a prominent location the specific First-Class Mail postage amount required for the return of the ballot to election officials, unless the ballot qualifies under the special exemption or is returned under Business Reply Mail service.

Although we are exempt from the notice and comment requirements of the Administrative Procedure Act [5 U.S.C. 553(b), (c)] regarding proposed rulemaking by 39 U.S.C. 410 (a), we invite public comments on the following proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the *Code of Federal Regulations*. See 39 CFR 111.1.
