SUPPLEMENTARY INFORMATION:

SSC Socio-Economic Panel

The SEP meeting agenda includes: Review and discussion of the Allocation Decision Tree, a tool that incorporates biological, economic, and social information into allocation decision making; review and discussion of a lexicon for best fishing practices outreach and social and economic analyses that could be considered when evaluating management techniques for reducing regulatory releases and release mortality; and presentations from NOAA Fisheries' Southeast Fishery Science Center (SEFSC) staff on alternative mechanisms for distributing fish to the recreational sector and on the South Atlantic golden tilefish fishery. SEP members will receive updates on recent Council amendments and the Council's Citizen Science Program. The SEP will provide recommendations for SSC and Council consideration as appropriate.

Scientific and Statistical Committee

The SSC meeting agenda includes: Review and discussion of a report from the SSC's workgroup for catch level projections; framework for the reduction of release mortality of snapper-grouper species; an interim analysis strategy presented by the SEFSC; overviews of the methods for estimating the abundance of red snapper in the South Atlantic and greater amberjack in the South Atlantic and Gulf of Mexico; updates from fishery-independent surveys conducted by NOAA and the South Carolina Department of Natural Resources; and recent updates to goliath grouper data and indices. The SSC will also review and provide comments on the Southeast Data Assessment and Review (SEDAR) terms of reference and scopes of work for several South Atlantic species, receive updates on South Atlantic fishery management plan amendments, and discuss other business as needed.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.

SUPPLEMENTARY INFORMATION:

Title of Collection: Interstate Land Sales Full Disclosure Act (Regulations J, K, and L).

OMB Control Number: 3170-0012.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Businesses and other for-profit institutions.

Estimated Number of Respondents: 197.

Estimated Total Annual Burden Hours: 3,412.

Abstract: The Interstate Land Sales Full Disclosure Act (ILSA) requires land developers to register subdivisions of 100 or more non-exempt lots with the Bureau before selling or leasing the lots, and to provide each lot purchaser with a disclosure document designated as a property report, 15 U.S.C. 1703-1704. ILSA was enacted in response to a nationwide proliferation of developers of unimproved subdivisions who made elaborate, and often fraudulent, claims about their land to unsuspecting lot
