

applicability offer interested parties an opportunity to comment in writing during the 60-day period beginning on the date the notice is published in the **Federal Register**.

The criteria that the Secretary uses to evaluate the waiver in these cases are the same as those described above under sections 1138(a)(2)(A) and (B) of the Act and have been incorporated into the regulations at § 486.308(e) and (f).

II. Waiver Request Procedures

In October 1995, we issued a Program Memorandum (Transmittal No. A-95-11) detailing the waiver process and discussing the information that hospitals must provide in requesting a waiver. We indicated that upon receipt of a waiver request, we would publish a **Federal Register** notice to solicit public comments, as required by section 1138(a)(2)(D) of the Act.

According to these requirements, we will review the request and comments received. During the review process, we may consult on an as-needed basis with the Public Health Service's Division of Transplantation, the United Network for Organ Sharing, and our regional offices. If necessary, we may request additional clarifying information from the applying hospital or others. We will then make a final determination on the waiver request and notify the hospital and the designated and requested OPOs.

III. Hospital Waiver Request

As permitted by § 486.308(e), McCullough-Hyde Memorial Hospital of Oxford, Ohio has requested a waiver in order to enter into an agreement with a designated OPO other than the OPO designated for the DSA in which the hospital is located. McCullough-Hyde Memorial Hospital is requesting a waiver to work with: LifeConnection of Ohio, 40 Wyoming Street, Dayton, OH 45409.

McCullough-Hyde Memorial Hospital's Designated OPO is: LifeCenter Organ Donor Network, 2925 Vernon Place, Suite 300, Cincinnati, OH 45219.

Tribal leaders and designated representatives interested in submitting written testimony or topics for the Consultation Session agenda should contact Renée Perthuis at reneeaiian@acf.hhs.gov. Tribal leaders submitting testimony or topics should provide a brief description of the subject matter along with contact information for the proposed presenter.

The Consultation Sessions will be conducted with elected or appointed leaders of Tribal governments and their designated representatives [42.U.S.C. 9835, Section 640(l)(4)(A)]. Representatives from Tribal organizations and Native non-profit organizations are welcome to attend as observers. Those wishing to participate in the discussions must have a copy of a written resolution, voted on and approved by the Tribal government, which authorizes them to serve as a representative of the Tribe. This should be submitted not less than three days in advance of the Consultation Session to Renée Perthuis at 202-260-9336 (fax).

A detailed report of each Consultation Session will be prepared and made available within 90 days of each consultation to all Tribal governments receiving funds for Head Start (including Early Head Start) programs.
