

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

DOC has submitted to the Office of Management and Budget (OMB) for clearance, the following proposal for an extension of a currently approved collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of Economic Analysis.

Title: Survey of Foreign Ocean Carriers' Expenses in the United States.

Form Number(s): BE-29.

Agency Approval Number: 0608-0012.

Type of Request: Extension of a currently approved collection.

Burden: 652 hours.

Number of Respondents: 163.

Avg Hours Per Response: 4 hours.

Needs and Uses: The Bureau of

Economic Analysis is responsible for the compilation of the U.S. balance of payments accounts. The information collected in this survey is an integral part of the "transportation" portion of the U.S. balance of payments accounts. The balance of payments accounts, which are published quarterly in the Bureau's monthly publication, the *Survey of Current Business*, are one of the major statistical products of BEA. The accounts provide a statistical summary of U.S. international transactions and are used by government and private organizations for national and international policy formulation, and analytical studies.

The information collected is also used for compiling the U.S. national income and product accounts, and for reporting to international organizations such as the International Monetary Fund. Without the information collected in this survey, annual data needed for estimating an integral component of the transportation account would be unavailable. No other Government agency collects comprehensive annual data on foreign ocean carriers' expenses in the United States.

The survey requests information from U.S. agents of foreign ocean carriers. Information is collected on an annual basis from U.S. agents that handle 40 or more port calls by foreign vessels and have annual total covered expenses of \$250,000 or more. U.S. agents with less than 40 port calls or with annual total covered expenses below \$250,000 are exempt from reporting.

Affected Public: U.S. agents of foreign ocean carriers.

Frequency: Annually.

Respondent's Obligation: Mandatory.

Legal Authority: The International Investment and Trade in Services Survey Act, 22 U.S.C. 3101-3108.

OMB Desk Officer: Paul Bugg, (202) 395-3093.

Copies of the above extension of a currently approved collection can be obtained by calling or writing Diane Hynek, DOC Forms Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230.

Written comments and recommendations in response to this extension of a currently approved collection should be sent within 30 days of publication of this notice to Paul Bugg, OMB Desk Officer, Room 10201, New Executive Office Building, Washington, DC 20503; fax: (202) 395-7245; e-mail: pbugg@omb.eop.gov.

Dated: September 9, 2003.

Madeleine Clayton,

Management Analyst, Office of Chief Information Officer.

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Institute of Standards and Technology (NIST).

Title: Inadequate Interoperability Cost Analysis of the U.S. Capital Facilities Industry Surveys.

Form Number(s): None.

OMB Approval Number: None.

Type of Review: Regular submission.

Burden Hours: 113.

Number of Respondents: 225.

Average Hours Per Response: 30 minutes.

Needs and Uses: The surveys, to be administered to capital facilities architects, general contractors, engineers, suppliers, software developers, and owner-operators, are designed to gather quantitative data. The data will be used to calculate the efficiency loss, in dollars, of inadequate electronic interoperability in the capital facilities supply chain and in capital facilities life cycle management. Each aforementioned stakeholder group will be administered a survey tailored to their activities in the design,

construction, and operation of capital facilities.

The surveys will collect data on respondents' capital facilities projects, business processes involving the exchange of electronic and paper-based communication, information technology investments, and the amount of labor involved in managing information flows internally and externally. The respondents will also be offered the opportunity to freely comment on the extent to which interoperability issues impact their businesses and operations.

Affected Public: Business or for-profit organizations.

Frequency: One-time.

Respondent's Obligation: Voluntary.

OMB Desk Officer: Jacqueline Zeiher, (202) 395-4638.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jacqueline Zeiher, OMB Desk Officer, Room 10202, New Executive Office Building, Washington, DC 20503.

Dated: September 9, 2003.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

[Docket Number 030829216-3216-01]

RIN 0607-AA40

Annual Trade Survey

AGENCY: Bureau of the Census, Commerce.

ACTION: Notice and request for comments.

SUMMARY: The Bureau of the Census (Census Bureau) is proposing to expand the 2003 Annual Trade Survey (ATS) to include manufacturers' sales branches and offices (MSBO). The Census Bureau proposes this expansion at the request of the Bureau of Economic Analysis (BEA). The BEA considers this information vital to its accurate measurement of sales and inventories for wholesale trade. These data are
