

DEPARTMENT OF THE INTERIOR**Bureau of Reclamation****Information Collection Activities; Proposed Collection; Comment Request**

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces that the Bureau of Reclamation (Reclamation) intends to seek approval of the following proposed new information collection form LS-924 entitled Summary of Water Requirements for Crops on Eligible Land. Before submitting the information collection request to the Office of Management and Budget for approval, Reclamation is soliciting comments on specific aspects of that form.

DATES: Comments on this notice must be received by March 11, 2002.

ADDRESSES: Address all comments concerning this notice to Bureau of Reclamation, Northern California Area Office, Attention: Donald A. Bultema, PO Box 988, Willows, California 95988.

FOR FURTHER INFORMATION CONTACT: For further information or a copy of the proposed collection of information form, contact Rita F. Hoofard at (530) 934-7069.

SUPPLEMENTARY INFORMATION: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of Reclamation's functions, including whether the information will have practical use; (b) the accuracy of Reclamation's estimated time and cost burdens of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, use, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including increased use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Title: Summary of Water Requirements for Crops on Eligible Land.

Abstract: Reclamation developed Form LS-924, Summary of Water Requirements for Crops Grown on Eligible Land, to facilitate and standardize the submission of data from the Sacramento River settlement contractors that divert water from Sacramento River sources. The

information requested is required to ensure the proper implementation of 43 CFR 426.15 and the commingling provisions in the Sacramento River settlement contracts.

Description of respondents: There are approximately 44 Sacramento River settlement contractors (individuals/districts) that are required to file Form LS-924 for the purpose of contract administration.

Frequency: Annually.

Estimated completion time: An average of 60 minutes per respondent.

Annual responses: 44 respondents.

Annual burden hours: 44.

Public Comments

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

Title: Rights-of-Use Applications.

OMB No.: 1006-0003.

Abstract: Reclamation is responsible for over 8 million acres of land in the 17 western States. Parties wishing to use any of that land must submit a Right-of-Use application. Reclamation will review the application and determine whether the granting of the right-of-use is compatible with the future uses of the land. After preliminary review of the application, the applicant will be advised of the estimated administrative costs for processing the application. In addition to the administrative costs, the applicant will also be required to pay a land use fee based on the fair market value for such land use, as determined by Reclamation. If the Right-of-Use application is for a bridge, building, or other types of major structure, Reclamation may require that all plans and specifications be signed and sealed by a professional engineer licensed by the State where the work is proposed. Linear facilities such as roads, pipelines, and transmission lines require a centerline survey of defining of limits of the requested right-of-use.

Description of respondents:

Individuals, corporations, companies, and State and local entities that desire to use Reclamation lands.

Frequency: Each time a Right of Use is requested.

Estimated completion time: An average of 2 hours per respondent.

Annual responses: 500 respondents.

Annual burden hours: 1,000.

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-932 (Final)]

Certain Folding Metal Tables and Chairs From China

AGENCY: United States International Trade Commission.

ACTION: Scheduling of the final phase of an antidumping investigation.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping investigation No. 731-TA-932 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from China of certain folding tables and chairs, provided for in subheadings 9401.71.00, 9401.79.00, and 9403.20.00 of the Harmonized Tariff Schedule of the United States.¹

¹ For purposes of this investigation, the Department of Commerce has defined the subject merchandise as assembled and unassembled folding tables and folding chairs made primarily or exclusively from steel or other metal, as described below:

(1) Assembled and unassembled folding tables made primarily or exclusively from steel or other

For further information concerning the conduct of this phase of the investigation, hearing procedures, and rules of general application, consult the Commission's rules of practice and procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

EFFECTIVE DATE: December 3, 2001.

FOR FURTHER INFORMATION CONTACT:

Olympia DeRosa Hand (202-205-3182), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436.

Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. SUPPLEMENTARY INFORMATION:

metal ("folding metal tables"). Folding metal tables include square, round, rectangular, and any other shapes with legs affixed with rivets, welds, or any other type of fastener, and which are made most commonly, but not exclusively, with a hardboard top covered with vinyl or fabric. Folding metal tables have legs that mechanically fold independently of one another, and not as a set. The subject merchandise is commonly, but not exclusively, packed singly, in multiple packs of the same item, or in five piece sets consisting of four chairs and one table. Specifically excluded from the scope of folding metal tables are the following: Lawn furniture; Trays commonly referred to as "TV trays"; Side tables; Child-sized tables; Portable counter sets consisting of rectangular tables 36" high and matching stools; and Banquet tables. A banquet table is a rectangular table with a plastic or laminated wood table top approximately 28" to 36" wide by 48" to 96" long and with a set of folding legs at each end of the table. One set of legs is composed of two individual legs that are affixed together by one or more cross-braces using welds or fastening hardware. In contrast, folding metal tables have legs that mechanically fold independently of one another, and not as a set.

(2) Assembled and unassembled folding chairs made primarily or exclusively from steel or other metal ("folding metal chairs"). Folding metal chairs include chairs with one or more cross-braces, regardless of shape or size, affixed to the front and/or rear legs with rivets, welds or any other type of fastener. Folding metal chairs include: those that are made solely of steel or other metal; those that have a back pad, a seat pad, or both a back pad and a seat pad; and those that have seats or backs made of plastic or other materials. The subject merchandise is commonly, but not exclusively, packed singly, in multiple packs of the same item, or in five piece sets consisting of four chairs and one table. Specifically excluded from the scope of folding metal chairs are the following: Folding metal chairs with a wooden back or seat, or both; Lawn furniture; Stools; Chairs with arms; and Child-sized chairs.

Background

The final phase of this investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of certain folding metal tables and chairs from China are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigation was requested in a petition filed on April 27, 2001, by MECO Corporation, Greeneville, TN.

Participation in the Investigation and Public Service List

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of this investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of this investigation available to authorized applicants under the APO issued in the investigation, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigation. A party granted access to BPI in the preliminary phase of the investigation need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff Report

The prehearing staff report in the final phase of this investigation will be placed in the nonpublic record on April 10, 2002, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.
