Current Actions: This Notice proposes the clearance of *Research for Grants for American Latino History and Culture Program*. The research is intended to inform IMLS as it designs and

implements a new grantmaking program to build the capacity of American Latino museums and education organizations nationwide. The ALHC Program was authorized for creation by the National Museum of the American Latino Act (NMALA) in 2020 (H.R. 2420)—the same Act that authorized creation of a new Smithsonian National Museum of the American Latino. This proposed research will be the first for the ALHC Program to help ensure its relevance to the field and accessibility to stakeholders as well as the measurement of project outcomes. Coupled with a secondary data collection effort (which will include reviewing administrative records, museum/nonprofit grantee databases, and a literature review), this study will include three specific primary data collection activities: community listening sessions, semi-structured interviews, and a survey of ALHC Program stakeholders.

The 60-day Notice was published in the **Federal Register** on November 29, 2022 (87 FR 73336). The agency received no comments under this Notice.
