I. Funding Opportunity Description

Purpose of Program: The Indian Education Formula Grants to Local Educational Agencies (Formula Grants) program provides grants to support local educational agencies (LEAs), Indian Tribes and organizations, and other eligible entities in developing elementary and secondary school programs that serve Indian students. The U.S. Department of Education (Department) funds comprehensive programs that are designed to meet the unique cultural, language, and educational needs of American Indian and Alaska Native (AI/AN) students and ensure that all students meet challenging State academic standards.

As authorized under section 6116 of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA),¹ the Secretary will, upon receipt of an acceptable plan for the integration of education and related services, and in cooperation with other relevant Federal agencies, authorize the entity receiving the funds under this program to consolidate all Federal funds that are to be used exclusively for Indian students. Instructions for submitting an integration of education and related services plan are included in the EASIE, which is described under *Application and Submission Information* in section IV of this notice.

Note: Under the Formula Grants program, all applicants are required to develop proposed projects in open consultation, including through public hearings held to provide a full opportunity to understand the program and to offer recommendations regarding the program (section 6114(c)(3)(C) of the ESEA), with parents of Indian children and teachers of Indian children, representatives of Indian Tribes on Indian lands located within 50 miles of any school that the LEA will serve if

such Tribes have any children in such school, Indian organizations (IOs), and, if appropriate, Indian students from secondary schools. LEA applicants are required to develop proposed projects with the participation and written approval of a parent committee whose membership includes parents and family members of Indian children in the LEA's schools; representatives of Indian Tribes on Indian lands located within 50 miles of any school that the LEA will serve if such Tribes have any children in such school; teachers in the schools; and, if appropriate, Indian students attending secondary schools of the LEA (section 6114(c)(4) of the ESEA). The majority of the parent committee members must be parents and family members of Indian children (section 6114(c)(4) of the ESEA).

Definitions: The following definition is from section 6112(d)(3) of the ESEA:

Indian community-based organization (ICBO) means any organization that (1) is composed primarily of Indian parents, family members and community members, tribal government educational officials, and tribal members, from a specific community; (2) assists in the social, cultural, and educational development of Indians in such community; (3) meets the unique cultural, language, and academic needs of Indian students; and (4) demonstrates organizational and administrative capacity to manage the grant.

Statutory Hiring Preference:

(a) Awards that are primarily for the benefit of Indians are subject to the provisions of section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 5307(b)). That section requires that, to the greatest extent feasible, a grantee—
